CHIEF OFFICE OF THE INSPECTOR-GENERAL OF POLICE,

Madras,

13th April

1895.

FROM

M. Hammick Esquire, I.C.S.,

INSPECTOR-GENERAL OF POLICE,

TO

THE Chief Secretary
to Government,
Fort Saint George.

SIR,

Enclosures.

With reference to Endorsement 710, dated 1st April 1895, on letter from the Collector, Anantapur, to the Chief Secretary to Government, dated 26th February 1895 Ref. 3906-94 ²⁷⁻²⁻⁹⁵, I have the honor to say that I inspected the Anantapur Police Hospital when in Anantapur on tour in February last. I agree with the Collector in thinking that the existing Hospital is larger than we require and I have no objection to its being handed over to the Municipality as a Municipal Hospital provided that the Police are given another Hospital first. A Hospital is

for the Police could be erected close to the existing Hospital - on the other side of the Road in front of it. If a hospital to accommodate 10 beds is built the accommodation will be ample for Police requirements.

I have the honor to be,
Sir,
Your most obedient servant,

Mammich

Judicial DEPARTMENT.

C. No. 1484 + 1857/95.

FOR ORDERS.

In go of 10 Decr. 1888, no. 3880 W, P.W.
under cover of go of 9.1.89 no. 15 Judl. no.,
an estimate amounting to Rs 6075 for construct-
ing a Police hospital at Anantapur was
sanctioned by Govt., as the old building erected
in 1865 was in a very dilapidated condition
& repeatedly condemned. A revised estimate
for Rs 7,640, showing an excess of ^{Rs} 1565
over the previous estimate, was submitted by
the Dy. of Police in July 1891 and it was
sanctioned in go 12 Aug. 91 no. 2180 W, under
cover of go of 15 Sept. 91 no. 1734, Judl.
In Sept. 1892 Colonel Potions explained
that the site ^{originally} proposed was that of the old
Police hospital to which a civil ward was
attached but that the Supt. - Engr. subse-
quently considered it advantageous to
build the new hospital on the site selected
for the Reserve Police lines, leaving over
the old building as well as the site to the
Municipality which was willing to take it.

Encl. no. 11

for the proposed construction of a new Civil Dispensary. Agreeing with the Supt. Engr. the Lg. requested sanction for the construction of the new police hospital on the new site - that selected for Reserve Lines. His proposal was approved by Govt. in G.O. 16 Sept. 1892, No. 1738, Judd, Mis.

FOR ORDERS.

Now in the first current read above, which the L.M. Dept. referred ^{to Govt.} for ~~final~~ remarks, the Collector of Anantapur submits the Anantapur Muni. Council's resolutions on the erection of a new muni. hospital + states that the proposal to build a new Police hospital on a scale commensurate with the needs of the Police + to hand over the present new Police hospital to the Municipality as a general hospital, has his support. He also remarks that the new Police hospital is much too large for the requirements of the force but that, with some additions such as an operating room + dispensary, it would serve very well as a general hospital. It can accommodate, it appears, 24 inpatients. The Municipality promises in return for the new Police hospital the Government fund of Rs 2800 + "such other grant as the Dist. Board may give".

The Lg. of Police, whose report was called for in the matter, says in an. 1887, that he inspected the hospital in question when in Anantapur on tour in Feby. last, and

that he agrees with the Collector in thinking that the present hospital is larger than is needed + that he has no objection to its transfer to the Municipality provided that the Police are given another hospital first. He thinks that a new hospital, with 10 beds, could be erected ^{apart} for the Police close to the existing hospital in front of it. ~~But~~ The Lg. does not explain why such an unnecessarily large Police hospital ~~was~~ ^{cause the} constructed; nor does he refer in his reply to the previous correspondence on the subject, in the first instance, Govt. has no information with which to

check his statement that a hospital with ten (10) beds will be large enough for the requirements of the police, and no estimate of the probable cost of a police hospital of that size.

The price which is offered for the existing building is indefinite viz.
"Rs 2800 + what the Dist. Board may be able to afford"

Without making further enquiries it may perhaps alone be said that the Judicial Dept. need raise no objection to the transfer of the Police hospital to the local bodies provided that they will undertake to defray the whole

Transfer of the Police Hospital
at Annapolis to the Municipality
