CURRENT NO. 2637
Cotacamund Prisons
OFFICE OF THE INSPECTOR-GENERAL OF JAILS,
Dated 29 May 1895.

From

A. G. CARDEW, Esq., M.A.,

INSPECTOR-GENERAL OF JAILS Prisons.

To

THE Honble Mr. J. F. Price, C. S. I.

CHIEF SECRETARY TO GOVERNMENT,

SIR,

No Enclosure.

I have the honour to request the sanction of Government to the Public Works Department furnishing me with an Estimate, of the approximate amount of Rs 540, for making more secure the Quarantine Wards of the Coimbatore Central Jail.

2. These Wards were built some years ago by the Jail Department, and are of very unsatisfactory character. The roofs are so low that they can be easily reached from the ground and a Convict wishing to escape has only to get on to the tie-beam and to push aside a rafter and lift off one or two of the tiles in order to get out. The late Executive Engineer, Mr. Lewis, kindly inspected the building,

and

and advised that the roofs should be ciled with planking so as to prevent this means of egress.

3. The doors are of wood which is now old and far from secure. The lock is within reach of the prisoners. It is desired to substitute iron doors, with the new locking arrangements whereby the prisoner cannot touch the padlock at all.

4. It is understood that the Public Works Department has prepared an estimate, but as the amount comes to something over Rs 500, the sanction of Government is required before it can be sent on. As prisoners under long terms of imprisonment have to be guaranteed in these buildings, it is desirable to make them as secure as possible, and it is, therefore, hoped that the Public Works Department may be authorized to furnish the estimate prepared.

I have the honour to be,

Sir,

Your most obedient servant

H. G. Lardner

Inspector General of Prisons
