Note
In J.E. proposed to explain "rather or
releases" in a covering letter; all temporary
confinements will terminate by death or release
so there is little need to communicate them
to Mr. C. S. M., except intimate them that
the covering letter should give full particulars

The Chief Secretary to the Government Fort St. George

Foreign Department

Dated Simla, the 4th June 1895

Sir,

I am directed to refer to your endorsement N^o 482 Judicial dated the 6th March 1895, forwarding a copy of the orders passed by the Government of Madras on the return of political d^etenu^s and State prisoners for the half year which ended on the 31st December 1894.

2. The Government of Madras have approved of a proposal that these half yearly returns should in future only include persons actually in Custody on the 30th June and the 31st December respectively provided that deaths or releases are explained in the letter under cover of which the return is submitted.

3. In view of the extraordinary powers conferred by Madras

Regulation

Regulation II of 1819, and by the corresponding Bengal and Bombay Regulations, inconvenience might arise if the Government of India were without information as to any case in which the provisions of the Regulation applicable had been resorted to for the confinement or restraint of persons. I am accordingly to request that arrangements may be made, in any manner preferred by the Governor in Council, to secure the transmission to the Government of India, with the half yearly returns, of full particulars respecting every case dealt with, even temporarily, under Madras Regulation II of 1819.

I have, the honour, to be,
Sir,
Your most obedient servant

A. Daly.
