DEPARTMENT.

C. No. 2844

FOR ORDERS.

In para (1) of G.O. No 6. May '95,
No 926, the S. Genl. was called
upon to report whether the
type of insanity with which
Tollapalle Kurminah was
affected was "mania caused
by the use of intoxicating
drugs", in view to consider the
question of transferring him
to a jail under para II of
Appendix III to G.O. No 24. April
1889, No 726. This report has
now been received & will be
found in C No 2844 from which
it will be seen that the
man's mental affection
was mania but its cause
is "unknown". As it is not

insanity was caused by
 the use of intoxicating drugs.
 it may perhaps be safer
 to postpone the considera-
 tion of his case until the
 beginning of 1896 and then
 deal with it under para
III of the appendix. orders
 are requested. The other
 points rep'd to in the current
 do not seem to call for
 any remarks.
