Copy of a letter from the Superintendent
Government Lunatic Asylum ^{Madras} to the
Secretary to the Surgeon General with the
Government, dated 18th May 1895, No 529^{1/2}

"The roads of the Asylum are very
much in need of repair and have not had
~~new~~ gravel laid on for some years past
and the pathways are very slushy during
the rainy weather.

2 The wood work of the blocks has
been pendered unsightly by Chumaw daubs
and would be better for a coating of wood-
oil. This, however, is a subordinate measure
in ~~any~~ ^{my} opinion to that of the road-repair
and is not absolutely necessary.

Judicial Department.

SIR,

I have the honor to forward
letter No 353 from the Consulting Archi-
tect to Government dated 26 April 1895
with an Estimate for Rs 5166-...
for the repair of all the roads in the Lunatic
Asylum, Madras as also for wood oiling
the timber work in the roof of the
blocks and to solicit early sanction
for the same.

2. The necessity for the repair
in question is explained by the
Superintendent of the Asylum in his
Endorsement No 529 dated 18 May 1895
on letter from the Government Consult-
ing Architect above referred to.

I have the honour to be,

Another item from the Lunatic
Asylum; - not mentioned in the
"complete" list submitted by the
Surgeon-General. & sent on to H.M.
with the consolidated note discussing
all proposals for expenditure on the
Asylum. - The estimate should not
have been prepared without Foot. Section
of the S.G.'s report & as usual not
complete in itself.

The way in which estimates are made
or prepared for past expenditure are
usually coming in from the S. G.
is too terrible. I submit that the
Surgeon-General does not like to be
with marks of white wash on them
he can surely come up with his
to make the white wash to the S.G.
higher in a fresh deal to spend on
what is evidently a luxury. Rs. 3070
for repairing road is a very heavy
sum but this work is alleged to
be necessary. The estimate includes
a number of petty repairs which
hardly require professional treatment.

This is an ordinary
again still. 12/6/95

ORDER.— 826 June 1895, No. 1360.

The Govt. has no reason to sanction
the proposed expenditure on wood oiling; the
Dept. can employ some of the labourers
to scrub off the whitewash which
is said to render the wood-work of
some of the blocks unsightly.
2. The execution of repairs to the
roads, & the other minor items of
expenditure are sanctioned but
the S.G. should report whether it is
not possible to carry out most of
the work by utilizing the services of
inmates of the asylum.

3. There appears to be no budget provision
except a sum of Rs. 500. The Financial
Dept. will accordingly be requested. Surgeon
General should therefore report if
any savings are available.
