Cs; attention is invited to the sketch
accompanying this letter from which it
appears that the Sub Regis Office ~~is~~
actually adjoins the tatak catchery
rooms. Although it may not be the
duty of the police to patrol the whole
block of buildings, there must surely
be some reserve force on duty at
night to look after the tatak record

labour to look after the Sub Registrars
Office. This being so, it seems wholly
unnecessary to sanction a watchman

The Honorable J. F. Price C.S.I

CHIEF SECRETARY TO GOVERNMENT,

Dated *Madras, 8th December 1894.*

SIR,

The Subregistrar's office at Ambasamudram in the Tinnevely district is held in a portion of the taluk cutchery at the station out of the view of the Treasury Police Guard. It is not the duty of the Police Guard to patrol the whole block of buildings at nights. The Deputy collector of the division, who inspected the office in September last, remarked that it was necessary that a nightwatchman should be appointed to guard the registration office at nights. I myself inspected the building in November last and found that the employment of a separate nightwatchman was absolutely necessary. In these circumstances, I have the honor to request that Government may be pleased to sanction the employment of a nightwatchman and sweeper on a salary of Rs 5 per mensem in

2. The usual proposition statement in respect of the extra charge imposed on the state is submitted in duplicate for the sanction of Government together with a rough sketch - showing the relative positions of the several buildings referred to in this letter.

Sir

Your most obedient servant

S. S. Munera Rajmangra
