SIR,

Enclosures.

*Twelve**\* Sent by packet post.*

With reference to para 1 of G.O., dated 17<sup>th</sup> October 1894, No 2509, P.D., I have the honor to submit plan and estimates amounting to Rs 5900 for the conversion of the Sub Jail buildings at Karaikalpatam, Kistna District, into quarters for

- 1 Inspector
- 1 European Head Constable
- 1 Eurasian Head Constable
- 22<sup>2</sup> Native Head Constables

and 26 Constables.

2. Colonel Porters considered that brick and mortar should be used instead of brick in mud owing to the ravages of white ants. The estimates have been prepared accordingly. I agree with Colonel Porters in thinking that in the long run, it will be

*more*

more economical to build the walls of brick in mortar. I doubt whether anything else would be satisfactory in Masulipatam.

3. In forwarding the above estimates, the Superintendent of Police remarked that they would require revision by the Public Works Department before according final sanction for the carrying out of the work; the Executive Engineer observes that the sanction of Government should be obtained for the revision of the estimates by the Public Works Department, as the amount exceeds Rs 1000.

4. The proposal being to build the walls of brick in mortar I am of opinion that professional skill is necessary for the execution of the works in question and therefore request that Government may be pleased to direct that the plan and estimate be revised and the work undertaken by the Public Works Department.

I have the honor to be,

Sir,

Your most obedt. Servt.
