The P.W.D. with the remark that the J. & S. Dept. can add nothing to the reasons set forth in the letter to the Govt. of India except the statement that the evident intention of the owners was to sell the house if possible, & that Govt. wishes to purchase it in order to prevent the possibility of its being disposed of without Govt's having an opportunity of buying it (from owners)

It seems useless to refer this to the J. & S. of Police for the necessary information. The reasons of the Madras Govt. for recommending the purchase of the house building will be found in the P.W.D. records & the judicial files in this file viz: 1016 + 1836 28.4.94 + 26.7.94

These reasons were fully set forth in the P.W.D. letter to India, & we can add nothing to them, except perhaps the statement that "the evident intention of the owners is to sell the house, if possible" & that "Govt. wishes to purchase it in order to prevent the possibility of its being disposed of without Govt's having an opportunity of buying it."

Note:
India refers to the fact that there
"appears to be no present probability
of the Asst. Supdt being compelled to
vacate his house." Please see enclosure
marked with reference to G.O. No. 1574 W of 21 June
1895 in which the owner of the house asks
"permission to sell it to some other merchant"
from which it appears that the probability
is present. The P.O.D. has "recorded" the
letter pointing this out. Should not India be
addressed again?

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

Letter from the Government of India,
P.W.D., No. 166 B. dated 4 June 1895.

I am directed to acknowledge the receipt of your letter No. 755 W. dated the 26 March 1895, explaining why the Government of Madras are desirous that the house at Narsapur, which is occupied ^{as a residence} by the Assistant Superintendent of Police at that place, should be purchased by the State.

2. In reply, I am to say that the Government of India are averse to purchasing houses for their officers in localities where dwellings are available for rent, and in view of the fact that there appears to be no present probability of the Assistant Superintendent of Police being compelled to vacate his present house, they are

of opinion that the necessity for
the purchase of the house in question
has not been established. I am,
accordingly, to express their regret
that they are unable to accord
sanction to the proposal of the
Madras Government.

ORDER. 4/6th July 1895 No 1417

The P.W.D. will be requested ^{again} to address the Govt. of India requesting sanction to purchase the house now occupied by the assistant Supt. of Police, Narasapur, & it is observed that that Govt.'s refusal to grant the sanction sought is based on "the fact that there appears to be no present probability of the A.S.P. being compelled to vacate his present house". From the papers recorded a G.O. No 1574 W of 21 June 1895, it appears that circumstances have changed since the Govt. of India first addressed for the owners of the house have asked the A.S.P. for "permission to sell it to some other merchants" & the A.S.P. reports that they will probably embrace the first opportunity for sale which offers itself.
