I beg to inform you that I was appointed Govt Reader and Public Prosecutor of this District in 1886 when the appointment was first created and have since been holding it up to date. For reasons of his own, Mr Stokes the collector and District Magistrate, has for some time past been very anxious to appoint one Mr J. Subramania Iyer in my stead. I learn that he has recently submitted a proposal to Govt to the above effect. Under the existing orders of Govt, no public prosecutor is to be removed so long he does his duties efficiently and satisfactorily. I am kept in utter ignorance of any representations that may have been made against me to Govt. So recently as March last, Mr Horsfall the present Judge of Tanjore, gave me a testimonial unasked, in which he has expressed his unqualified satisfaction of the way in which I discharged my duties under him. Mr Tate, the present Judge, has, I believe, no reason to be dissatisfied with my work. I therefore beg you to place this letter before His Excellency the Governor in Council and give me an opportunity to explain any representations that may have been made.

made to my prejudice by furnishing me with a copy
of Mr Stokes's letter to Govt and other material papers
if any, before final orders are passed by Govt.

Note
Please see linked current. The
petitioner certainly cannot be described
as having been "thoroughly efficient" as
Govt. Pleader & Public Prosecutor & it is submitted
that this is a post, removal from which
need not necessarily be preceded by a formal
explanation, such as would be required in the
case of a dismissal from the public service.
The joint opinion of the Dist. Judge &
Dist. Judge is surely sufficient evidence of
great inefficiency.
