CURRENT NO 199

From

Lieut: General W. Mansfield Clarke, L. B.

Commanding the Forces,

Madras.

To

The Chief Secretary

to the Government of Madras.

Sir

Referring to the recent accident caused by the explosion of a blind shell found near the Artillery Practice Camp Vellore, I have the honor to report for the information of the Government of Madras that with a view to minimise the possibility of similar accidents in the future, it is proposed to make the following addition in the notices which are issued to the Police for promulgation:-

"In the case of a shell being found on or near any Artillery practice ground, the finder will at once report the matter (stating the position of the shell) to the Artillery in Camp, or to the nearest Police Station.

2. The Inspector General of Police will also be asked to furnish a larger Police force, with an English speaking Inspector, during the annual

Annual Artillery Practice, to prevent, if possible,
people from removing any unexploded shells.

3. I trust these further precautions will
prevent similar accidents occurring in future.

SIR,

Enclosures.

With reference to Endorsement No 935, dated
29 April 1895 on Current No 1994. I have the
honor to say that I consider the issue of the
notice referred to in the letter of His Excellency
the Lieutenant General commanding the Forces
advisable. As regards the increase to the Police
force employed on the ground during the
artillery Practice, I have the honor to
say that after some correspondence,
the officer commanding the Madras
District considers that the matter had better
stand over until arrangements for the next
practice are being made. The question of
the necessity of increasing the Police force
will then be considered.

I have the honor to be,
Sir

Your most obedt. Servt.
