16TH JULY 1895, No. 1495, JUDICIAL.

GOVERNMENT OF MADRAS. JUDICIAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble S. SRINIVASA RAGHAVAIYANGAR, Dewan Bahadur,
C.I.E., Inspector-General of Registration, to the Chief Secretary to Govern-
ment, dated Ootacamund, 23rd June 1895, No. 2790-T.

I have the honour to submit, for the sanction of Government, proposals for the opening of a new registration office at Ottapalam and for re-adjusting the limits of certain sub-districts in the Walavanad taluk, Malabar district.

2. The work in the Cherpalcheri sub-registry office has grown too heavy to be satisfactorily managed by the present Sub-Registrar, the registrations in that office having amounted to 4,145 during the past official year. The Sub-Registrar is therefore unable to attend properly to the details of his office work and receive for registration all the documents presented to him daily for the purpose. Great inconvenience is caused to parties in consequence of the delay in the registration of their documents and of the long distances which some of them have to travel for getting their documents registered. There is also reason to believe that documents, the registration of which is optional, executed in some of the amshoms are not all brought for registration, the office being situated at great distances from them.

3. To afford relief to the Sub-Registrar and to obviate inconvenience to the registering public, the District Registrar of Calicut has proposed the constitution of a new sub-district to be designated "the sub-district of Ottapalam" by taking seven amshoms from Cherpalcheri and two from Mankara sub-district. Ottapalam, where it is proposed to locate the new office, is an important village having a police and a railway station and a post office and is the seat of the District Munsif's Court. All the amshoms proposed to be attached to Ottapalam are much nearer to it than to their present head-quarter stations, as will be seen from the enclosed list of distances. The proposal has the approval of the Collector of the district.

4. The effect of the proposal on the working of the several offices will be seen from the subjoined table:—

	Registrations.	Receipts. RS.
Cherpalcheri (1894-95)	4,145	4,844
Deduct seven amshoms to be transferred to Ottapalam (1894)	1,548	1,647
Remainder ..	2,597	3,197
Mankara (1894-95)	3,242	4,114
Deduct two amshoms to be transferred to Ottapalam (1894)	385	454
Remainder ..	2,857	3,660
Ottapalam—		
Add seven amshoms from Cherpalcheri	1,548	1,647
Add two amshoms from Mankara	385	454
Total ..	1,933	2,101

5. The Registrar has also proposed the transfer of three amshoms from the Perindalamanna to the Cherpalcheri sub-district, to give relief to the Sub-Registrar of the former office, whose work has become heavy, and of one amshom from the Mannarakkat to the Perindalamanna sub-district, to promote the convenience of the inhabitants, the amshom being much nearer to Perindalamanna than to Mannarakkat.

The registrations in the Perindalamanna office having amounted to 4,121 during 1894-95 will, when reduced by 520—the number for the three amshoms proposed to be taken from it and increased by 209—the number for the one amshom proposed to be added to it—come up to 3,810 a year, while the estimated registrations at Cherpalcheri (2,597), after the opening of the new office at Ottapalam, will rise to 3,117 by the addition of the three amshoms referred to above. Thus it will be seen that there will be sufficient work left for the office at Cherpalcheri, while the work at Perindalamanna will still be heavy. But it is not possible at present to reduce further the work of the latter office. The new office will have sufficient work to start with.

6. In these circumstances, I have the honour to request that Government may be pleased to sanction the opening of the new office and the transfer of the amshoms referred to with effect from the 1st September 1895, and the incurring of the following charges in connection therewith, provision for the same having been made in the budget estimate:—

	RS.	A.	P.	
One Sub-Registrar	30	0	0	
„ clerk	20	0	0	
„ „	17	8	0	
„ „	15	0	0	
„ „	15	0	0	
„ peon	6	0	0	
„ night watchman and sweeper	5	0	0	
House-rent	8	0	0	
	116	8	0	per mensem or
	1,398	0	0	per annum.

7. The above expenditure is exclusive of the 20 per cent. commission on the collections payable to the Sub-Registrar, which will amount to Rs. 420 a year. The office, it will be seen, will pay its way, from the very commencement, and there is no doubt that the additional expenditure will be more than recouped in the course of two or three years by the expansion of registrations consequent on the additional facilities afforded to the public.

8. I beg to submit, for approval and publication in the Fort St. George and Malabar District Gazettes, draft notifications giving effect to the above proposals. The usual proposition statement in respect of the additional expenditure proposed is also enclosed for the sanction of Government.
