READ again—

Home Department Resolution No. *9 Judicial* dated the 18th July 1894, on the subject of the re-organization of the Cantonment Magistrates' Department in India.

RESOLUTION.

IN the list appended to the Resolution of this Department, dated the 18th July 1894, Belgaum was classed as an important Cantonment Magistracy with a civil population of 10,733. It appears, however, that according to the last Census the total population of the Belgaum Cantonment was 12,314, including the garrison, the strength of which was 2,775 in February 1891. The civil population of the Belgaum Cantonment would therefore appear to have been 9,539 when the Census of 91 was taken. The station should thus be classed as a minor Cantonment Magistracy for the purposes of the new rules relating to the status and pay of Cantonment Magistrates. The Governor General in Council is accordingly pleased to direct that the necessary corrections shall be made in the list appended to the Resolution of the 18th July 1894.

ORDER.—Ordered that this Resolution be communicated to the Governments of Madras and Bombay for information, with reference to the correspondence ending with the letter ^{to}_{from} that Government No. ²⁷³₆₀₉, dated the ^{21st}_{7th} February 1895.

Ordered also that it be communicated to the Local Governments and Administrations marginally noted, and the Foreign, Military and Finance and Commerce Departments for information.
