CHIEF SECRETARY
16 JUL 1895
GOVERNMENT

His Excellency the Right Honorable
the Governor of Madras in Council
May it please your excellency -

I, Mahabob Khan Nayana a reduced amir
of Madanapally District Munsiff Court most respectfully
beg to state, as follows:-

1. I am a descendant of Kadiri Nohela family
as amir I was in service in the late Kadiri court
until April 1894 - When it was abolished I was reduced
from the amir's place with an order that when a vacancy
occurs of amir's place, my claim would be first considered.

2. My service at the time of reduction was
four years and ten months.

3. Since that date, there were three vacancies in this
court. The first was given to one Venkoba Rao. and preferred
to me in service and I was asked to await the next
opportunity -

4. There was another vacancy in 1893 - and
applied for it - The then District Munsiff overlooked my
claim and gave the place to one Rangoo Rao. who was a
copyist in order to introduce as copyist a boy of his own
caste. I learned that this was what took place and I was
asked to wait another opportunity -

5 In 1894, a gain another vacancy occurred

The present District all unoff Mr. P. S. Sams. I am.
Recommended me on the 19th August 1894 - one Alling a
a process service of this court went personally to District
Court having taken leave on the plea of marriage to someone
and got the appointment in the District court without
knowledge of the District all unoff. I beg to state
that as my claims are overlooked and as the appointment
affects me, I am obliged to bring to your Excellency's
notice that the appointment is contrary to the act as
made without consulting the District all unoff.

I most humbly beg to request that your excellency
will be pleased to consider how my claims are overlooked
when there are three vacancies although there was an express
order that the claims of reduced annuities should be considered
when the vacancies occur.

As the Sovereign of the whole of this Presidency,
as the Highest personage in whose hands lies the safety
the welfare and well-being of all millions of the population
your Excellency will, I hope, do justice to my claims
and favor me the appointment which is unjust and improper
given to stranger against the wish of the District all unoff
and contrary to the act.

For this act of justice, I shall as my duty
humbly ever pray for your excellency's long life and
prosperity -
