Testimonials.

I. This is to certify that S. Krishnamachari acted as fourth clerk of this office for one year during which period, I found his conduct to be satisfactory. He writes a tolerably fair and legible hand both in English and Tamil and carefully avoids mistakes. I am glad to say that he always compared documents with accuracy.

II. Though my acquaintance with S. Krishnamachari has been too short to justify me in awarding him a certificate of character he having been entertained in this office in April last, I have yet no hesitation in saying that during this short time, I have always found him very obedient, active and industrious and intelligent. So far as I have known him I can say his moral conduct has been stainless & that he is honest.

CURRENT NO. 5007

His Excellency the Right Honourable the Governor in Council
Madras.

May it please your Excellency,

CHIEF SECRETARY
18 OCT. 1894
GOVERNMENT OF MADRAS
The petitioner of

S. Krishnamma Chari late 2nd Clerk of Tiruvannamalai
Sole Registry office in South Arcot District.

Most respectfully sheweth-

That the petitioner after a long Temporary service of nearly 5 years in the Revenue and Registration Departments, was made a permanent 2nd Clerk of Tiruvannamalai Sole office and was directed to appear before the District Surgeon of South Arcot for producing health certificate. The District Surgeon declared him unfit on account of a defect in one of his eyes.

This defect he begs to state occurred to him when he was a mere infant of 2 years old and did not affect him either in his educational course up to the F.A. standard or in the discharge of his duty as a public servant for the last nearly 5 years. Copies of testimonials from the different officers under whom he was working are herewith submitted, which will show that he was not defective in any way.

He preferred an appeal to the Surgeon General against the order of the District Surgeon. The Surgeon General disposed of the appeal petition on the report of the District Surgeon, unfavourably.

Your Excellency's petitioner has no other income except service under Government, which

was denied most unfortunately. Now he is placed in a very sad predicament & his case deserves great sympathy at the hands of the Government.

While this defect was in no way a bar either to his educational course or the efficient discharge of his duty as a public servant, it is extremely unfortunate that he should be rejected & declared unfit on account of this single defect & deprived of his only means of support.

In conclusion, your Excellency's petitioner most respectfully begs that justice may be meted out to him after deep consideration, as his case is one of that sort & cannot be disposed of off-hand & craves your Excellency most earnestly to protect him & thus restore him to the appointment of the Mudaberk of Tiruvannamalai Sule Registry office.

I beg to remain.
