CHIEF SECRETARY  
Simla the 19 June 1895.  
1-JUL 1895  
GOVERNMENT OF MADRAS

SIR,

I AM directed to say that it has been suggested to the Government of India that the supply of revolver ammunition which may be required by Police officers in the different Provinces should be regulated by a uniform rule,—namely, that the numbers of rounds required should be fixed at multiples of twelve, as twelve rounds of this kind of ammunition are contained in a packet. I am accordingly to request that, with the permission of His Excellency the Governor in Council,

the Police Department in Madras may be instructed to observe this rule when indenting on the Ordnance Department for revolver ammunition.

2. It is understood that the numbers of rounds at present allowed to Police officers in the Madras Presy. under the orders of the Local Govt issued in 1892 are:—

|          |     |     |     |     |            |
|----------|-----|-----|-----|-----|------------|
| Service  | ... | ... | ... | ... | 50 rounds. |
| Practice | ... | ... | ... | ... | 24 rounds. |

I am to suggest that, if His Excellency in Council sees no objection, the number of rounds for service may be altered to 48 rounds.

I have the honour to be,

SIR,

Your most obedient Servant,

H. Lusson.

Offg. Depy. Secretary to the Government of India.
