SIR,

Enclosures.

Two-

I have the honor to forward copies of correspondence between the District Magistrate of Malabar and myself regarding the Subjails at Mangeri and Angadiparam and to request that the sanction of Government may be accorded for the construction of additional accommodation for prisoners arrested by the Police

2. From the Superintendent's letter No. 500 of 4th April, copy of which is enclosed with my letter to District Magistrate, No. 259, dated 18th April 1895, it is evident that the Subjail cells at the places above referred to are so often

often full that the Police are very seriously inconvenienced for want of a ward for use as a Police lock-up. Indeed from the figures it would seem advisable to add two cells to each subjail - one for subjail prisoners and one as a Police lock-up.

3. The Assistant Superintendent of Police Malaparam, brings to notice a case in which a prisoner arrested for house-breaking had to be kept in the verandah and watched by a constable all night as the Magistrate - owing to the number of prisoners incarcerated - refused to allow the man to be put into the Angadipuram subjail.

The District Magistrate reports that there is sufficient accommodation within the subjail compounds both at Mangeri and Angadipuram to provide for building the additional cells required. There are at present no Police lock-ups separate from the subjails at either of the above two places.

I have the honor to be,

Your most obedt. Servant,

Mammick

Inspector General of Police.

SIR,

Enclosures.

I have the honour to return the papers which were forwarded to me for remarks with Mr Davidson's Endorsement N-1640 dated 16th July 1895, and to state in reply that in view of the generally overcrowded state of the subjails at Mangeri and Angadipuram, it appears desirable to add to the existing accommodation in these subjails in the manner proposed in para 2 of Mr Hammick's Letter to Government.

I have the honor to be,

Sir,

Your most obedient Servant,

A. G. Cardew
