GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble S. SRINIVASA RAGHAVAIYANGAR, Dewan Bahadur, C.I.E., Inspector-General of Registration, Madras, to the Chief Secretary to Government, dated Ootacamund, 30th June 1895, No. 2999-T.

I have the honour to submit, for the orders of Government, the following proposal to open an additional sub-registrar's office in the Madura district.

2. The zemindari of Bódinayakkánúr in the Periyakulam taluk consists of twelve villages and sixty hamlets. Seven of these twelve villages are now included in the sub-district of Periyakulam, and the remaining five in that of Uttamapálayam. Bódinayakkánúr, the head-quarters of the zemin, is 18 miles from Periyakulam and 16 miles from Uttamapálayam. The inhabitants of the zemin villages have to travel the above-mentioned long distances to get their documents registered. The distance by road between Periyakulam and Uttamapálayam is 28 miles. Considering the width of the tract covered by this distance, it is necessary to establish a registration office midway in a convenient locality for the convenience of the registering public. For the above purpose Bódinayakkánúr seems best fitted, and the Collector of Madura has written to me strongly urging the opening of a registration office at this station. It contains 3,000 houses and a population of about 15,000. It is a major union and has a police-station and a post-office. The new sub-district will comprise twelve zemindari villages and two Government villages, Upparapatti and Virapandi, situated nearer to Bódinayakkánúr than to Uttamapálayam. All the villages except two are nearer to Bódinayakkánúr than to their present head-quarter stations, as will be seen from the enclosed list. The two excepted villages are at no great distance from Bódinayakkánúr.

3. The effect of the proposal on the working of the existing offices is as shown below :—

		1894-95.	
		Registrations.	Collections.
		NO.	RS.
<i>Periyakulam</i>		3,282	4,641
Deduct seven villages to be detached to constitute the new sub-district		504	577
	Balance ..	2,778	4,064
<i>Uttamapálayam</i>		2,988	4,186
Deduct seven villages to be detached to constitute the new sub-district		400	474
	Balance ..	2,588	3,712
<i>Bódinayakkánúr—</i>			
Add—			
Seven villages from Periyakulam		504	577
„ villages from Uttamapálayam		400	474
	Total ..	904	1,051

From the above statement it will be seen that the proposed arrangement, while affording some relief to the sub-registrars of Periyakulam and Uttamapálaiyam, will leave them sufficient work. The work of the new sub-district, though comparatively small, is fairly sufficient to start with, and there is every prospect of registrations developing largely in this tract, as it contains a large trading population and is commanded by the Periyár project works.

4. In these circumstances, I have the honour to request that Government may be pleased to sanction the opening of the new office at Bódinayakkánúr from the 1st September 1895 and the expenditure noted below in connection therewith:—

	RS.	A.	P.
One sub-registrar, VII grade	30	0	0

" do.	14	0	0
" peon	6	0	0
" night watchman and sweeper	5	0	0
Per mensem	72	8	0
" annum	870	0	0

The above expenditure is exclusive of the 20 per cent. commission on the collections which will amount to about Rs. 210 a year. No charge need be incurred at present on account of house-rent, as the Zemindari of Bódinayakkánúr has kindly offered a building of her own at Bódinayakkánúr free of rent. The necessary provision for the cost of the establishment has been made in the budget.

5. A draft of notification giving effect to the above proposal is enclosed for the approval of Government and for publication in the Fort St. George and Madura District Gazettes. I beg also to submit the proposition statement in respect of the charges for establishment.
