The Petition of G. Ramaswami

Retired Dist. Munsiff
chidambaram.

Shaweth,

your petitioner's petition dated
6th November 1894 contained statements of facts
and circumstances in detail, which were
urged upon the attention of Government for
its benign consideration and orders.

The order of Government dated
14th Feb. 1895. No. 330 disposes of the above men-
tioned petition unfavourably to the petitioner
on the report of the High Court therein mentioned.

The order of Government above-
mentioned does not show how the facts and
circumstances set out in the petition were
disposed of by it or by the High Court. He is
left quite in the dark and in the same condition
in which he was when he presented the last
petition, considering himself aggrieved by
the former order of Government. He considered
himself so aggrieved because he did his
duty in good faith and with due diligence
as a judicial officer and because he was
exempted from any infliction under those
circumstances according to provisions of
act XVIII of 1850, but he was ordered to pay Rs
40 (Rupees Forty) for a judicial act.

Act XVIII of 1850 protects the
petitioner from being sued for acts done
in the discharge of his duty. If the Court
