READ—the following paper:—

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Ootacamund, 24th June 1895, No. 338-Tour.

I have the honour to state that at present there is no definite form prescribed for committing a civil lunatic to an asylum. In the absence of such, committing magistrates adopt various modes, some addressing the Superintendent by letter, some in the form of a warrant and others in Form B which is only required for private cases.

2. To ensure uniformity a form has been, at my instance, proposed by the Superintendent, Madras Asylum, and approved by those of the Calicut and Vizagapatam Asylums.

3. I enclose a copy for the approval of Government with a view to its being incorporated in the new code under revision and to request that orders may be issued for its adoption by all committing magistrates.

Approving, as amended, the form of commitment of civil — to asylums submitted by the Surgeon-General; prescribing it for adoption under the provisions of Act XXXVI of 1858; and forwarding copy of the Proceedings to the Resident in Hyderabad and the Chief Commissioner, Coorg.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper:—

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Ootacamund, 24th June 1895, No. 338-Tour.

I have the honour to state that at present there is no definite form prescribed for committing a civil lunatic to an asylum. In the absence of such, committing magistrates adopt various modes, some addressing the Superintendent by letter, some in the form of a warrant and others in Form B which is only required for private cases.

2. To ensure uniformity a form has been, at my instance, proposed by the Superintendent, Madras Asylum, and approved by those of the Calicut and Vizagapatam Asylums.

3. I enclose a copy for the approval of Government with a view to its being incorporated in the new code under revision and to request that orders may be issued for its adoption by all committing magistrates.
