Communicating to the Sessions Judge of Cuddapah letter from the Inspector-General of Prisons recommending that prisoners sentenced to death by that officer be sent in future to the Central Jail, Vellore, for execution; and directing the District Magistrate, Cuddapah, to instruct the District Public Prosecutor to move the Sessions Judge to issue the necessary revised detention warrants to the Superintendent, Central Jail, Vellore, for the transfer to that jail of the two prisoners now under sentence of death in the Cuddapah District Jail.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper:—

From A. G. CARDEW, Esq., M.A., Inspector-General of Prisons, to the Chief Secretary to Government, dated Ootacamund, 9th August 1895, No. 4707.

In paragraph 5 of G.O., 11th May 1895, No. 987, the Government has directed that prisoners sentenced in the Cuddapah district to periods of imprisonment exceeding one month shall in future be sent to the Vellore, Bellary or Nellore Jails, with reference to the available accommodation. Owing to an omission in this office letters, Nos. 38 and 958, dated 3rd January and 12th February 1895, however, no orders have been obtained regarding the case of prisoners sentenced to death by the Sessions Court, Cuddapah. Two such prisoners are now in the District Jail, Cuddapah, which will be closed on the 31st instant or as soon after as possible.

2. As regards these two men, who have already been committed to the Cuddapah Jail, they must apparently remain where they are, as there seems to be no provision of law under which I can order their transfer. If their cases are not disposed of by the date on which the district jail is closed, they will remain in the subsidiary jail which will take its place, under the usual guard, and will be executed by the officer in charge of the subsidiary jail.

3. In regard to the case of prisoners who may, in future, be sentenced to death by the Sessions Judge, Cuddapah, I recommend that the Sessions Judge be directed to address their warrants and to forward their persons to the Superintendent, Central Jail, Vellore, for execution. Owing to the great delays, extending to six months, which occur between the Sessions Court's trial and conviction and the High Court's disposal of the referred case and appeal, it is undesirable that this class of prisoner should be kept in the subsidiary jail. Moreover, the site of the gallows of the Cuddapah District Jail is not a suitable one, being far removed from the jail. When the Chittoor District Jail was closed, the Government in its Proceedings No. 2129, dated 12th August 1886, did not approve of the proposal then made to keep condemned prisoners in the subsidiary jail at Chittoor and eventually decided on their being sent to Vellore. I am of opinion that this is the best course in the case of the Cuddapah Jail also. It is not convenient to send these prisoners to the Bellary District Jail, because the number of condemned prisoners received there is generally large. The numbers of prisoners of this class admitted during the last three years into the Vellore, Bellary and Cuddapah Jails have been as follows:—

| | Vellore. | Bellary. | Cuddapah. |
|---|---|---|---|
| 1892 .. .. .. .. .. .. .. | 9 | 3 | 1 |
| 1893 .. .. .. .. .. .. .. | 2 | 9 | 5 |
| 1894 .. .. .. .. .. .. .. | 7 | 12 | 4 |
| Average .. .. .. .. .. .. .. | 6 | 8 | 3·3 |

4. The favour of early orders is requested.

ORDER—dated 17th August 1895, No. 1727, Judicial.

The Inspector-General's letter will be communicated to the Sessions Judge of Cuddapah for information and guidance.

2. The Government does not consider that the arrangements proposed by Mr. Cardew for the execution of the condemned prisoners now in the Cuddapah Jail are altogether suitable. They should be transferred to the Vellore Central Jail for the purpose; and in view to this being done, the District Public Prosecutor will be instructed by the District Magistrate to explain the circumstances to the Sessions Judge and to move him to issue the necessary revised detention warrants to the Superintendent, Central Jail, Vellore.

## JUDICIAL DEPARTMENT.

READ—the following paper:—

From A. G. CARDEW, Esq., M.A., Inspector-General of Prisons, to the Chief Secretary to Government, dated Ootacamund, 9th August 1895, No. 4707.

In paragraph 5 of G.O., 11th May 1895, No. 987, the Government has directed that prisoners sentenced in the Cuddapah district to periods of imprisonment exceeding one month shall in future be sent to the Vellore, Bellary or Nellore Jails, with reference to the available accommodation. Communicating to the Sessions Judge of Cuddapah letter from the Inspector-General of Prisons recommending that prisoners sentenced to death by that officer be sent in future to the Central Jail, Vellore, for execution; and directing the District Magistrate, Cuddapah, to instruct the District Public Prosecutor to move the Sessions Judge to issue the necessary revised detention warrants to the Superintendent, Central Jail, Vellore, for the transfer to that jail of the two prisoners now under sentence of death in the Cuddapah District Jail.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper:—

From A. G. CARDEW, Esq., M.A., Inspector-General of Prisons, to the Chief Secretary to Government, dated Ootacamund, 9th August 1895, No. 4707.

In paragraph 5 of G.O., 11th May 1895, No. 987, the Government has directed that prisoners sentenced in the Cuddapah district to periods of imprisonment exceeding one month shall in future be sent to the Vellore, Bellary or Nellore Jails, with reference to the available accommodation. Owing to an omission in this office letters, Nos. 38 and 958, dated 3rd January and 12th February 1895, however, no orders have been obtained regarding the case of prisoners sentenced to death by the Sessions Court, Cuddapah. Two such prisoners are now in the District Jail, Cuddapah, which will be closed on the 31st instant or as soon after as possible.

2. As regards these two men, who have already been committed to the Cuddapah Jail, they must apparently remain where they are, as there seems to be no provision of law under which I can order their transfer. If their cases are not disposed of by the date on which the district jail is closed, they will remain in the subsidiary jail which will take its place, under the usual guard, and will be executed by the officer in charge of the subsidiary jail.

3. In regard to the case of prisoners who may, in future, be sentenced to death by the Sessions Judge, Cuddapah, I recommend that the Sessions Judge be directed to address their warrants and to forward their persons to the Superintendent, Central Jail, Vellore, for execution. Owing to the great delays, extending to six months, which occur between the Sessions Court's trial and conviction and the High Court's disposal of the referred case and appeal, it is undesirable that this class of prisoner should be kept in the subsidiary jail. Moreover, the site of the gallows of the Cuddapah District Jail is not a suitable one, being far removed from the jail. When the Chittoor District Jail was closed, the Government in its Proceedings No. 2129, dated 12th August 1886, did not approve of the proposal then made to keep condemned prisoners in the subsidiary jail at Chittoor and eventually decided on their being sent to Vellore. I am of opinion that this is the best course in the case of the Cuddapah Jail also. It is not convenient to send these prisoners to the Bellary District Jail, because the number of condemned prisoners received there is generally large. The numbers of prisoners of this class admitted during the last three years into the Vellore, Bellary and Cuddapah Jails have been as follows:—

| | Vellore. | Bellary. | Cuddapah. |
|---|---|---|---|
| 1892 .. .. .. .. .. .. .. | 9 | 3 | 1 |
| 1893 .. .. .. .. .. .. .. | 2 | 9 | 5 |
| 1894 .. .. .. .. .. .. .. | 7 | 12 | 4 |
| Average .. .. .. .. .. .. | 6 | 8 | 3·3 |

4. The favour of early orders is requested.

ORDER—dated 17th August 1895, No. 1727, Judicial.

The Inspector-General's letter will be communicated to the Sessions Judge of Cuddapah for information and guidance.

2. The Government does not consider that the arrangements proposed by Mr. Cardew for the execution of the condemned prisoners now in the Cuddapah Jail are altogether suitable. They should be transferred to the Vellore Central Jail for the purpose; and in view to this being done, the District Public Prosecutor will be instructed by the District Magistrate to explain the circumstances to the Sessions Judge and to move him to issue the necessary revised detention warrants to the Superintendent, Central Jail, Vellore.

GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper:—

From A. G. CARDEW, Esq., M.A., Inspector-General of Prisons, to the Chief Secretary to Government, dated Ootacamund, 9th August 1895, No. 4707.

In paragraph 5 of G.O., 11th May 1895, No. 987, the Government has directed that prisoners sentenced in the Cuddapah district to periods of imprisonment exceeding one month shall in future be sent to the Vellore, Bellary or Nellore Jails, with reference to the available accommodation. 3. In regard to the case of prisoners who may, in future, be sentenced to death by the Sessions Judge, Cuddapah, I recommend that the Sessions Judge be directed to address their warrants and to forward their persons to the Superintendent, Central Jail, Vellore, for execution. Owing to the great delays, extending to six months, which occur between the Sessions Court's trial and conviction and the High Court's disposal of the referred case and appeal, it is undesirable that this class of prisoner should be kept in the subsidiary jail. The Inspector-General's letter will be communicated to the Sessions Judge of Cuddapah for information and guidance.

2. The Government does not consider that the arrangements proposed by Mr. Cardew for the execution of the condemned prisoners now in the Cuddapah Jail are altogether suitable. They should be transferred to the Vellore Central Jail for the purpose; and in view to this being done, the District Public Prosecutor will be instructed by the District Magistrate to explain the circumstances to the Sessions Judge and to move him to issue the necessary revised detention warrants to the Superintendent, Central Jail, Vellore.

## JUDICIAL DEPARTMENT.

READ—the following paper:—

From A. G. CARDEW, Esq., M.A., Inspector-General of Prisons, to the Chief Secretary to Government, dated Ootacamund, 9th August 1895, No. 4707.

In paragraph 5 of G.O., 11th May 1895, No. 987, the Government has directed that prisoners sentenced in the Cuddapah district to periods of imprisonment exceeding one month shall in future be sent to the Vellore, Bellary or Nellore Jails, with reference to the available accommodation. Owing to an omission in this office letters, Nos. 38 and 958, dated 3rd January and 12th February 1895, however, no orders have been obtained regarding the case of prisoners sentenced to death by the Sessions Court, Cuddapah. Two such prisoners are now in the District Jail, Cuddapah, which will be closed on the 31st instant or as soon after as possible.

2. As regards these two men, who have already been committed to the Cuddapah Jail, they must apparently remain where they are, as there seems to be no provision of law under which I can order their transfer. If their cases are not disposed of by the date on which the district jail is closed, they will remain in the subsidiary jail which will take its place, under the usual guard, and will be executed by the officer in charge of the subsidiary jail.

3. In regard to the case of prisoners who may, in future, be sentenced to death by the Sessions Judge, Cuddapah, I recommend that the Sessions Judge be directed to address their warrants and to forward their persons to the Superintendent, Central Jail, Vellore, for execution. Owing to the great delays, extending to six months, which occur between the Sessions Court's trial and conviction and the High Court's disposal of the referred case and appeal, it is undesirable that this class of prisoner should be kept in the subsidiary jail. Moreover, the site of the gallows of the Cuddapah District Jail is not a suitable one, being far removed from the jail. When the Chittoor District Jail was closed, the Government in its Proceedings No. 2129, dated 12th August 1886, did not approve of the proposal then made to keep condemned prisoners in the subsidiary jail at Chittoor and eventually decided on their being sent to Vellore. I am of opinion that this is the best course in the case of the Cuddapah Jail also. It is not convenient to send these prisoners to the Bellary District Jail, because the number of condemned prisoners received there is generally large. The numbers of prisoners of this class admitted during the last three years into the Vellore, Bellary and Cuddapah Jails have been as follows:—

| | Vellore. | Bellary. | Cuddapah. |
|---|---|---|---|
| 1892 .. .. .. .. .. .. .. | 9 | 3 | 1 |
| 1893 .. .. .. .. .. .. .. | 2 | 9 | 5 |

READ—the following paper:—

From A. G. CARDEW, Esq., M.A., Inspector-General of Prisons, to the Chief Secretary to Government, dated Ootacamund, 9th August 1895, No. 4707.

In paragraph 5 of G.O., 11th May 1895, No. 987, the Government has directed that prisoners sentenced in the Cuddapah district to periods of imprisonment exceeding one month shall in future be sent to the Vellore, Bellary or Nellore Jails, with reference to the available accommodation. Owing to an omission in this office letters, Nos. 38 and 958, dated 3rd January and 12th February 1895, however, no orders have been obtained regarding the case of prisoners sentenced to death by the Sessions Court, Cuddapah. Two such prisoners are now in the District Jail, Cuddapah, which will be closed on the 31st instant or as soon after as possible.

2. As regards these two men, who have already been committed to the Cuddapah Jail, they must apparently remain where they are, as there seems to be no provision of law under which I can order their transfer. If their cases are not disposed of by the date on which the district jail is closed, they will remain in the subsidiary jail which will take its place, under the usual guard, and will be executed by the officer in charge of the subsidiary jail.

3. In regard to the case of prisoners who may, in future, be sentenced to death by the Sessions Judge, Cuddapah, I recommend that the Sessions Judge be directed to address their warrants and to forward their persons to the Superintendent, Central Jail, Vellore, for execution. Owing to the great delays, extending to six months, which occur between the Sessions Court's trial and conviction and the High Court's disposal of the referred case and appeal, it is undesirable that this class of prisoner should be kept in the subsidiary jail. Moreover, the site of the gallows of the Cuddapah District Jail is not a suitable one, being far removed from the jail. When the Chittoor District Jail was closed, the Government in its Proceedings No. 2129, dated 12th August 1886, did not approve of the proposal then made to keep condemned prisoners in the subsidiary jail at Chittoor and eventually decided on their being sent to Vellore. I am of opinion that this is the best course in the case of the Cuddapah Jail also. It is not convenient to send these prisoners to the Bellary District Jail, because the number of condemned prisoners received there is generally large. The numbers of prisoners of this class admitted during the last three years into the Vellore, Bellary and Cuddapah Jails have been as follows:—

| | Vellore. | Bellary. | Cuddapah. |
|---|---|---|---|
| 1892 .. .. .. .. .. .. .. | 9 | 3 | 1 |

When the Chittoor District Jail was closed, the Government in its Proceedings No. 2129, dated 12th August 1886, did not approve of the proposal then made to keep condemned prisoners in the subsidiary jail at Chittoor and eventually decided on their being sent to Vellore. I am of opinion that this is the best course in the case of the Cuddapah Jail also. It is not convenient to send these prisoners to the Bellary District Jail, because the number of condemned prisoners received there is generally large. The numbers of prisoners of this class admitted during the last three years into the Vellore, Bellary and Cuddapah Jails have been as follows:—

| | Vellore. | Bellary. | Cuddapah. |
|---|---|---|---|
| 1892 .. .. .. .. .. .. .. | 9 | 3 | 1 |
| 1893 .. .. .. .. .. .. .. | 2 | 9 | 5 |
| 1894 .. .. .. .. .. .. .. | 7 | 12 | 4 |
| Average .. .. .. .. .. .. .. | 6 | 8 | 3·3 |

4. The favour of early orders is requested.

ORDER—dated 17th August 1895, No. 1727, Judicial.

The Inspector-General's letter will be communicated to the Sessions Judge of Cuddapah for information and guidance.

2. The Government does not consider that the arrangements proposed by Mr. Cardew for the execution of the condemned prisoners now in the Cuddapah Jail are altogether suitable. They should be transferred to the Vellore Central Jail for the purpose; and in view to this being done, the District Public Prosecutor will be instructed by the District Magistrate to explain the circumstances to the Sessions Judge and to move him to issue the necessary revised detention warrants to the Superintendent, Central Jail, Vellore.
