OFFICE OF THE INSPECTOR-GENERAL OF JAILS, Prisons.

Dated 19. December 1894.

From

A. G. CARDEW, Esq., M.A., C.S.

INSPECTOR-GENERAL OF JAILS, Prisons.

To

THE Hon'ble Mr. J. F. Price, C.S.I.

CHIEF SECRETARY TO GOVERNMENT,

Fort Saint George, Madras.

SIR,

Enclosure.

With reference to Judicial G.O. dated 6th December 1894, N^o 1157 R, I have the honour to state that in Judicial G.O. dated 28th November 1894, N^o 2880 the Government intimated that the balance of the sanctioned estimate would not be made available.

2. In para 2 of my letter N^o C. 2233 dated 12th December 1894 I requested that Rs 3,500 might be transferred to this Department, but it is now observed that this has already been done in Financial G.O. dated 21st November 1894, N^o 1015.

3. The present position of the correspondence therefore appears to be that all that is required is the approval of

of Government to the work in question being carried out for Rs 3500 by this department. As the money is available, and this is the best season for building operations, the work will be put in hand at once.

I have the honour to be,

Sir,

Your most obedient servant,

R. G. Cardew

Inspector General of Prisons.

2ND NOVEMBER 1894, No. 2801 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Civil Works.

READ—the following papers:—

From J. P. DAVIDSON, Esq., Officiating Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepák, 5th September 1894, No. 304 W.

I have the honour to submit for sanction enclosed revised estimate in the form of comparative statement for Rs. 7,000 for constructing huts for 15 warders of the District Jail, Tanjore, showing an excess of Rs. 1,500 over the original estimate of Rs. 5,500 sanctioned in G.O. No. 911 W. of 7th April 1893.

2. The necessity for revision of the estimate, as explained in the remark column of the comparative statement, is due partly to higher rates being allowed and partly to the substitution of a better description of roof timber than provided for in the original estimate. This change in the roof material is reported to be necessary as the place is infested with white-ants.

From J. P. DAVIDSON, Esq., Officiating Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepák, 9th October 1894, No. 334 W.

I have the honour to report, in reply to your memo. No. 2998 C., dated 1st October 1894, that it is proposed to carry out the work constructing 15 warders' huts at District Jail, Tanjore, by contract.

2. The rates allowed for brick work in the original estimate are too low, and the Executive Engineer reports that he cannot work at this rate, nor is he able to get tenders for the work at any rate lower than that allowed in the revised estimate.

3. The acceptance of the revised rates is necessary before work is started.

4. The comparative statement which accompanied this office No. 304 W., dated 5th September 1894, gives explanation on this and other points.

Office-note from the Chief Secretary to Government, dated 24th October 1894, No. 2051.

ORDER—dated 2nd November 1894, No. 2801 W., Public Works.

With advertence to G.O., No. 2664 W., dated 20th October 1894, the revised estimate, amounting to Rs. 7,000, for constructing 15 warders' huts at the Tanjore District Jail, is transferred to the Judicial Department for disposal.

2. The current year's budget grant of Rs. 3,500 for the work is surrendered to the Financial Department with the request that the amount may be placed at the disposal of the Inspector-General of Prisons.
