From M. HAMMICK, Esq., I.C.S., Inspector-General of Police, to the Chief Secretary to Government, dated Kurnool Road, 3rd August 1895, No. 4502.

With reference to notification dated 4th June 1895, published in *Fort St. George Gazette* dated 25th June 1895, relating to the recruitment of superior officers of Police, I have the honour to solicit the orders of Government whether paragraph 27 on page 699 of the Gazette, stating that Assistant Superintendents should pass in one vernacular according to the higher standard prescribed for Assistant Collectors to make them eligible for promotion to the grade of District Superintendent, is intended to apply only to officers recruited under the present system or to all Assistant Superintendents now in the department. I should certainly like to see the rule applied to all Assistant Superintendents, giving to those officers who will soon obtain promotion a year in which to pass.

ORDER—dated 20th August 1895, No. 1741, Judicial.

The rule specified by the Inspector-General was only intended to apply to the case of Assistant Superintendents recruited by the four methods set out in the notification published in the Gazette, but the Government considers it desirable to extend its application to the case of all Assistant Superintendents and Probationary Inspectors now in the department in whatever manner recruited. Officers who will be affected by this extension should be informed of the fact, and, as Mr. Hammick recommends, Assistant Superintendents who are about to obtain promotion to the grade of Superintendent will, if necessary, be allowed an extra year in which to qualify according to the new rule.
