OFFICE OF THE INSPECTOR-GENERAL OF PRISONS, MADRAS,

From

INSPECTOR-GENERAL OF PRISONS,

To

THE HONOURABLE N. F. PRICE C.S.I.

CHIEF SECRETARY TO GOVERNMENT,

SIR,

Enclosures.

With reference to paragraph 17 (7) and (8) of Home Department Resolution No. 10 (Tails) - 610 - 623, dated 9th November 1892, wherein the Government of India sanctioned the proposal of Doctors Walker and Lethbridge - that all Tail warders should be provided with accommodation on Tail premises, I have the honour to request the sanction of Government to the erection at the Nellore District Tail of 16 huts, 2 for Head warders and 14 for warders, subject to the maximum cost per hut which was laid down in G.O. 6 October 1894, No. 2446. The warder establishment of the Nellore District Tail consists of 16 men, 2 Head warders and 14 warders, and in the absence of any huts, these men live scattered about the town, and are thus not readily available in case of emergency, while they are specially likely to introduce infectious disease into the Tail. The Huts will, in accordance with the last-named order of Government, be constructed departmentally, and a requisition for the necessary funds will be submitted to the Financial Department in due course.

2. As no land is available on which these huts can be built, it is necessary to take up a small area

area on the west side of the Tail wh there is open country used for growing tobacco. reference has been made to the Collector, who states that land in question is comprised in Survey N^o. D. 1695. land immediately adjoining the Tail premises belongs the Scotch Free Church Mission. Although it is apparently used for any missionary purpose, other than the growth of tobacco, the Mission has intimated its unwillingness to part with it; and the Tahsildar states that a claim of Rs. 5/- per Auknam (one-sixth of aunt) is likely to be made. The land beyond the Mission property and not abutting on the road is stated to be valued at Rs. 1/10 per auknam. In view of this very high price, it is proposed to acquire as small a piece as possible, 410' x 190' (less than 2 acres) in Survey N^o. 93 belonging to a Mussalman, Sheriff or Ali Sahib, with a pathway 12 feet broad to the public road. The site is a suitable one, and it is requested that the Collector may be authorized to take the necessary steps to acquire the land.

I have the honour to be,
Sir
Your Most Obedt. Servant.
