To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,

Judicial DEPARTMENT.

SIR,

With reference to G. O. No. 1360 dated the 26th June 1895, Judicial, I have the honour to state that the proposal of employing insanes to scrub off the white-wash on the rafters is considered objectionable by the Superintendent on the ground that such work will expose the insanes to considerable danger of falling and is certain to be accompanied by accident however careful supervision is maintained. In this, I fully concur with him.

2. As regards para 2, the number of insanes in the Asylum is insufficient to carry out the work without seriously neglecting the manufacturing and industrial pursuits of the Asylum. There are, however, a few men at present unemployed

unemployed and they are quite unfit for any work on account of their excitable disposition and bad state of health.

3. Under these circumstances, I request that the removal of the unsightly white-wash on the rafters and the repair of roads be carried out by the Public Works Department.

4. The expenditure in question if sanctioned can be met from the general savings of the Asylum grant.

I have the honour to be,

Sir,

Your most obedient Servant,

C. Fortescue
