 The Chief Secretary to Government
 Calcutta and

Sir,

I have the honor to Submit herewith
 Return No. II of Arms and Ammunition imported
 into Travancore under license issued during the
 half year ending 30th June 1895.

2. As compared with the imports in
 the previous ^{half} year, there is a considerable falling
 off under almost every item for which there is no
 satisfactory explanation. The return is prepared
 from a Statement received from the Dewan. It
 is incredible that there has been no import under
 Salt petre when the Dewan issued permits during
 the half year for importing 66,154 lbs and an
 import of only 31,360 lbs under Sulphur when
 the Dewan's permits were for 72,470 lbs.

3. The corresponding return for
 Cochin will be submitted on receipt of the
 Statement from the Dewan of that State

The Chief secretary to Government

Sir,

In continuation of my letter Ref: on c n: 2462 of the 22nd ultimo and with reference to para 3 thereof, I have the honor to submit herewith return n: II of Arms and Ammunition imported into Cochin under licenses issued during the half year ending 30th June 1895.

2. It will be seen from the return that in 12 cases the imports were covered by British or Travancore export licenses or permit. In 13 of the remaining 14 cases no British licenses were required and apparently the imports were not from Travancore. I am however asking the Dewan for definite information regarding this. I am also asking him whether there was any British or Travancore export license or permit in the remaining one case and if there was none why the import was allowed. His reply with or receipt be submitted for the information of Government.

3. The imports under gunpowder, small shot, sulphur and salt petre were considerably in excess of the

The previous half year but beyond the fluctuations of trade there appears to be no special reason for this.

I have the honor to be

Sir

Your most obed^t. servant

Thos. M. S.

Resident.
