C. No. 207/95

From the Sanitary Commissioner for Madras.

Dated 16th January

1895.

FOR ORDERS.

The Sanitary Com^r forwards
favorable consideration of Govt the Godavari
Agent's proposals for the entertainment
of two more vaccinators on Rs 18 each per
attention is invited to the note for orders, etc. in
G.O. of 5 Oct. 1894, no. 2424 Judl. M.; also
to those in G.O. of 23 Nov. 94 no. 2832 Judl.
in which an additional vaccinator was recently
sanctioned for the Ganjam Agency.

It is submitted that this paper should
be sent to the Agent with reference
to the order of 1886 No 2596 Public. It
is a flagrant instance of careless sub-
mission of proposals. - The Agent merely
forwards with his support a long letter
from his Special Assistant, accompanied
by two enclosures, the substance of which
should have been stated in the report.
Some portions of the Special Assistant's
letter though intelligible to the Agent
are not so to Govt for want of the
letter to which he refers.
The proposal is itself seen reasonable
but it seems desirable to insist on its
submission in the proper form - with
some attempt at conciseness.
This is by no means the only case of the
kind lately received from Godavari.

11/9/95

In February last, the Sanitary Commission forwarded for the favorable consideration of Govt. the Godavari Agent's proposals for the enlistment of two more vaccinators on Rs 18 each per m. as the Agent's letter was not complete & concise in itself, it was returned to the Agent in Govt. order of 26 Feb'y '95, No. 393, for resubmission in the proper form. In this current Mr. Brodie forwarded the special Asst. Agent's complete report. As the first letter was submitted through the San'y. Comr., it is submitted that it is now unnecessary to refer the current to that officer. There are at present 4 first class Vaccinators on Rs 18 each per m. & one Probationer on Rs 12 in the Agency; the latter is in charge of the Calf depot at P. Lavaram. If the Agent's proposal, supported by the San'y Comr., is approved there will be six first class Vaccinators on Rs 18 each & 1 Probationer; and the additional cost will be Rs 36 per m. or $36 \times 12 = 432$ per annum. The Agent has not yet obtained

For order as to whether the proposal may be approved?

The Special Assistant's letter is
unnecessarily long & there has been
great delay in resubmitting the
proposal. The Agent's office was at
fault as there was apparently no necessity
to send the papers to the Special Assistant
again, but it seems to be an old Godavari
custom to send up the Special Assistant's
reports about Agency matters with
a mere endorsement, & the papers
were no doubt sent in to save the
Agent's office trouble.
