With reference to para 3 of
Board's Proceedings, 9th
Febuary 1895, No 29, I have
the honor to report that
there are only two cattle
fairs in this district, to
which the cattle diseases
Act need be applied - viz-
that held at Tiruvannamalai
during the Kartthigai
festival in November or
December and the other
at Kunigam in the Tirukkoilur
Taluk.

Taluk in April and May. The
Karthikai festival commences
this year on 22nd November
and ends on 1st December. The
date of commencement of
the festival in 1896 cannot
be exactly fixed now but it will
be about the same time as in
the current year. The Kunagam
fair falls this year on the
9th May and it will take
place about the same date
in 1896.

2. The Cattle Disease Act may
therefore I think be extended
to the Tiruvannamalai fair
this year and the Kunagam
fair next year, a Stock Inspector
being deputed to attend the
latter fair this year.

Resolution

Recorded.

2. A draft notification
for introducing the provisions
of the Cattle Diseases Act
at each of the fairs mentioned
in

in para 2 of the Collector's
letter read above, should be
submitted in sufficient
time to allow of the necessary
arrangements being made.
