8. Read letter no. 596, dated 26. May
1895, from the Superintendent of Police
for the Arcot, informing that the
site chosen in South Meada Street
is best suited for the erection of police
huts and that he can find no
other site fitted for the purpose.

The Council unanimously
resolves

resolved to move the Government
through the Collector about the
unsuitability of the present site
for the erection of the Police lines,
on religious grounds. Further, the
Council thinks that better and
unobjectionable sites can be found
in the northern and western parts
of the town and the same could
be got at cheap cost.

From,

J. E. Thomas Esquire,
Superintendent of Police,
North Arcot District.

To,

The Chairman, Municipal Council,
Dinipati.

Sir,

With reference to your letter No. 185
dated 17th Instant, I have the honor
to inform you that I received two
other Mahajars from Dinipati and a
letter from the Mahant protesting
against the proposed construction
of Police lines in G. South Mada street
and that on inspecting the site I
consider the objections raised to be
futile and unreasonable. It is
urged that the erection of Police huts
on the site chosen will interfere
with the sanctity of the Processions
of the God passing and the
distribution

going that the land

distribution of Prasadam or sacred food, by reason of the variety of caste or creed which the occupants may profess to have faith in. But experience shows that in Tirupati as in other places of big shrines, the Processions of the God are not confined to streets of high class Hindus exclusively, and that the distribution of Prasadam is conducted in the presence of all classes of people indiscriminately. Besides, the site chosen in South Madu street is best suited for the erection of Police huts on and I can find no other site fitted for the purpose.

I have the honor to be,

Sir,
Your most obedient Servant,

on a religious point of view inasmuch
as the God, Govindarajaswami, passes
in procession through the said street
in which sacrifices to the deities fixed
in the streets surrounding the temple
are offered during the annual festival
called "Brahmotsavam". It is on this
principle that all the houses surrounding
the temple in almost all the places
are occupied by the brahmins. It is
said to be contrary to the rule of
Hindu worship to offer those sacrifices
in the streets occupied by people
other than Brahmins. It will be
a great hardship on the ^Bbrahmin
community to ask them to give up
those sites, in other words asking
them to put an end to their festivals
which the Council thinks will
give room to public excitement.

Having this in view, the Council
after a great deal of discussion and
deliberation, resolved that the
Mahazar should be forwarded
to Mr

to the Superintendent of Police for
favourable disposal and it was so
done. In reply to this reference he
has stated that he has received
two other similar Mahazars and
a letter from the Mahant of Tirupati
protesting against the erection of the
Police lines on the said sites, that
the objections set forth are futile
and unreasonable and that on
his inspection of the locality, he
has found it best suited for the
purpose. At the last meeting it was
again argued that the location
of the proposed lines on the sites
objected to not only deprives the
owners from the enjoyment of the
same, but also causes serious
inconvenience to the people
inhabiting that street especially
when a Mahomedan or low caste
Hindu Constable is allowed to
reside in. It was also stated

that the proposed sites are far away
(a mile off) from the existing Police
station and that the persistence of
the Police authorities in the erection
of the aforesaid lines on them is not
Commendable and justifiable -
inasmuch as there are suitable
sites available for the said purpose
just in the vicinity of the Hospital
building near the Police station and
also near Varra Seshamma's Choultry
and the Deputy Tahsildar's Office.

The Council having considered
the subject in extenso, urges that
in the interest of public and to avoid
religious excitement, the Government
may be pleased to prevail upon
the Police authorities to abandon
the idea of erecting police lines
in the said private sites now proposed.
