CHIEF SECRETARY'S
DEPARTMENT
16 SEP. 1895
GOVERNMENT OF MADRAS

SIR,

I have the honor to state that the asphaltic floor of certain blocks in the Lynatic Bazaar, Madras, is in many places broken up and in others riddled by cracks and offers insuperable difficulty in the matter of thorough cleansing and removal of foul stagnant washings, which easily accumulate on such floors. The Superintendent having suggested to the Consulting Architect to Government the advisability of laying down Portland cement in lieu thereof, that Officer informs me that the work will be classed as a new one in accordance with the rules of the Public Works Department, and as such, the previous sanction of Government will be necessary for its execution. As he states that the laying of Portland cement is cheaper and more durable than Asphaltic, I request that necessary orders be issued to the

the Public Works Department carry out the
change

I have the honor to be,
Sir,
your most obedient servant

G. B. Clarke
Surgeon Major General
Surgeon General at the Govt. of Madras
