Recommending the

For Orders

It is not clear how this
case can be considered one of
urgent necessity to justify
the grant of privilege leave
under Art. 306 (b). When the
Sub Judge first applied for
leave about the latter part
of August he was undoubtedly
ill, but he was on the 14th Sep.
according to his own statement
which is supported by a
certificate from the Dist. Med.
and Sanitary Officer, completely
recovered his health. The High
Court however recommends the
grant of leave applied
for. His illness constituted "urgent
necessity" in the first instance but does
not do so now.

I do not see what the Dist. Judge wants with
three months leave when he is
his duties showing fully recovered

14th September 1895

From

O. Chaudh Munn Sub Judge

To

W. C. Holmes Esquire
District Judge
South Canara,

Sir,

With reference to your endorsement
on the High Court's Proceedings No 2485
dated 9th Instant I beg to state that it
is impossible for me to get a medical
Board in South Canara to certify to
my state of health, there being only one
European medical officer in the whole
of South Canara District, whose certificate
I have submitted already with my
application. Since sending up my
application I have quite recovered from
my illness and regained my health. I
suffered from a kind of Influenza not
of a very virulent type which was so
largely prevailing in this Town lately.
It was when I had high fever one day
that I telegraphed to the High Court
which has probably led the Honourable

Court to suppose that I was very seriously ill. The medical officer - Surgeon Captain Donovan thinks that I have regained my health now. I beg to enclose herewith a note to this effect from that officer for the satisfaction of the High Court.

I would also respectfully submit that in the Government of India's note dated 8th December 1892 appended to the Article 894 (A) of the Civil Service Regulations, quoted in the High Court's Proceedings there is a distinct rule that where it is impracticable to get a Board to certify, an officer may be granted leave on the certificate of a District Medical officer.

I need hardly state that it will be a source of great hardship to me now to appear before a medical Board at Madras. If the Honourable the High Court are of opinion that I should not be allowed to resign except upon production of a Board's certificate I must of course produce such certificate but I humbly trust that the High Court

will be kind and considerate to me and would not subject me to the great hardships of going all the way to Madras from here just now for such a certificate. If the Honourable Court thinks that I cannot be allowed any sick leave without a Board's certificate I would most respectfully request that I may be allowed, in consideration of the peculiar circumstances of my case, privilege leave in commutation to the sick leave applied for, with an extension of 2 months more - in all three (3) months from the 26th August the date of my application.

I beg that this letter with the enclosure may be forwarded to the High Court and their orders communicated to me as early as possible.

I have the honour to be
Sir

Your most obedient Servant

Alfred Russel Wallace
Sub Judge.

From the Sub Judge's
letter forwarded with the
foregoing, it appears that
that that officer had recovered
his health on the 14th Sep.
last. It is clear therefore
that this case cannot hereafter
be regarded as one of urgent
necessity within the meaning
of art. 306 (b), after that
date and ^{it follows} that he is
eligible for privilege leave
under that article. The
regrets that it cannot
