Order.

From Inspector-General of Police.

For making allegations against his Inspector which he has failed to substantiate 2d class Constable 585 Musain Khan is awarded a black mark and having been duly warned for dismissal on 14.4.94 is dismissed under the Black Mark Rules.

I This Constable who was punished on the report of Inspector Reynolds and warned for dismissal on 14.4 by the District Superintendent after personal hearing, sent in a petition (Exhibit A), which was received on 2.5.94, complaining that he had been unjustly punished on the last occasion 14.4.94 on the report of Inspector Reynolds. The District Superintendent called upon Constable 585 to substantiate the charges he had made (the matter having been enquired into and the explanation of Constable 585 having been taken by the District Superintendent himself before the final warning was given him on 14.4.94).

II. The Constable in trying to make good his case simply reiterated the statements he had made before, which Colonel Hodgson had declined to accept and on which he warned him for dismissal,

and

and when asked to produce witnesses to the fact of Inspector Reynolds having made the charge against him out of malice he said he had none.

III. The specific charge here against Constable 585 is that of making allegations to the effect that his Inspector had unjustly got him punished out of malice. When called on to produce evidence of this he admits that he has no evidence to produce. For this I award him a black mark which means dismissal with forfeiture of all pay due from date of suspension.

(1) I. Hossain Khan Bahli, & others

Constable No 520 in the district of Anantapur,

most humbly and respectfully venture to

bring the following few lines to your

Excellency's kind consideration, hoping

that due justice will be meted out to him.

I was a second Class Constable at the Village of Achali, Adoni Taluk,

Bellary District. When I was given the

charge of the Station House, officer in

the absence of the permanent incumbent on other duty.

(2) While I was in charge of the Station,

Cases numbers 7, 43, 44 were reported

to the station and since I was ignorant of any language, I had the report and Register

and the Register prepared by one of the villagers, who knew the language at my dictation. The report was not objected to by my superiors. When Case No. 51/94 was reported to me, I sent in an occurrence in the same way as I had done after getting it written by some villager. But the Inspector of Police of the Adoni Division wrote an office note in the diary against me for getting the report & other records prepared by some one else. Thereupon the Superintendent of Police Bellary, dismissed me from the Service. I prepared an appeal against this order of the Superintendent on the ground; that as I was ignorant of any language, I had got them prepared by some body, on dictation, simply to conduct the administration work without any detriment & to save delay. Since the report was of a very grave nature. Then I was restored to the office with the following order:-

"The Dismissal of the appellant is cancelled and he will be transferred to the Anantapur District. The period out of employment being treated as leave without pay." I joined the duty at Anantapur. When I again petitioned to the Deputy Inspector General of Police, to sanction the payment of my salary for the period during which I was out of duty

duty, the same orders were given as before. On the receipt of the said order, I put in a petition to the Inspector General of Police, requesting him to pass orders for the payment of my salary of the 6 months, during which I was under dismissal. Since I have not been dismissed for any grievous fault & restored as I was innocent. But the Inspector General of Police has declined to interfere with his predecessor's order (Vide endorsement herein enclosed)

(4) I have incurred debts, during the time of my dismissal, since I had no other means to maintain myself. I am a very poor man, having a big family depending on me for support. I have been restored as being wholly innocent.

(5) Under these circumstances, I most humbly pray that your Excellency in Council will be pleased to pass orders for the payment of 6 months' salary, during which time I was under dismissal.

For which act of kindness, I shall as in duty bound ever pray.
Your Excellency's most humble
obedient servant.

CHIEF OFFICE OF THE INSPECTOR-GENERAL OF POLICE,

No. 5015.

MADRAS, 23rd September 1895.

FROM

INSPECTOR-GENERAL OF POLICE,

TO

THE Chief Secretary

SIR,

Enclosures.

I have the honor to submit an appeal
petition from one Hussain Sahib, late Constable
No 585, Bellary District, appealing against
Colonel Porteous' order, declining to grant
him pay for the period he was out of employ
owing to his suspension in connection with
some charges made against him in 1894.
2. The case was briefly this. The man was
first charged with three petty offences and
on the 14th April 1894 the Superintendent
Colonel Hodgson finding him guilty gave
him a warning and refrained from giving
him Black mark as a Black mark then would
have entailed his dismissal. On 30th April
the man put in a petition asking for his warn-
ing to be cancelled alleging that all the
charges made were due to personal enmity
on the part of the Inspector Mr. Reynolds.
owing

owing to a case in which Mr. Reynolds had interfered, having been dismissed by the Magistrate. For this inordinate petition the man was dismissed. But on appeal Colonel Porters cancelled the dismissal. He however ordered that for the time the man was out of employ viz. from 2^d May to 7th November 1894 he should get no pay, the period being treated as leave without pay. I think the man did misbehave in charging his Inspector with personal spite against him, and that he should have accepted his warning in the first instance without demur. His service in the Police was lost for the period he was under suspension and I do not see why he should get pay for this period.

I have the honor to be,
Sir,
Your most obedt. Servt.
