to him on account of his 16 years
inferior service.

To,

HIS EXCELLENCY

THE GOVERNOR-GENERAL

IN COUNCIL,

Fort William.

CALCUTTA.

Through H. E. the Governor in Council
of Fort St. George.

MAY IT PLEASE YOUR EXCELLENCY.

I, the undersigned T. Krishnan Nair, late 4th clerk of the Betatnad District Munsiff's Court in the District of Malabar, most respectfully beg to lay the following grievance before your Excellency in Council in the hope that justice will be done to one who has well and truly served the Government for over 30 years.

2. I was first entertained in the Public Service in November 1863 on a salary of Rs. 10. In April 1879 I was promoted to a post carrying Rs. 17-8-0 and I continued in the latter appointment till 31st March last, on which date I was forced to retire.

3. On being informed of the proposal to retire me, I requested that I may be allowed to produce a medical certificate of my fitness to continue for some time which was refused. I appealed against this order to His Excellency the Governor in Council of Fort St. George upon being required at the instance of the Accountant General to present myself before the Medical officer for examination. The Government of Madras refused to interfere in the matter (vide copies of both enclosed). In its order No. 1236 dated 10th October last, (copy enclosed) the Madras Government sanctioned a superannuation pension to me of Rs. 4-1-4. But it transpires from the same order that no gratuity can be sanctioned since I was not invalided. My contention all along has been that I am quite fit for further service and therefore begged that I may

be retained in service for sometime more in view of the smallness of the pension to which alone I would be entitled if retired at once. This request was as submitted already, refused. Having been relieved 19 days before the completion of 60 years, a medical certificate became necessary and the District Surgeon declared my fitness. While so, I submit, that I ought to have been retained. The refusal to do me this bare act of justice, as well as the vigour of my health have conspired to deprive me of my claim to gratuity as would appear from the G. O. quoted above. I beg leave to invite the attention of your Excellency in Council to the fact that I was not retired at my request, but in spite of my protest; that when retired, I had not completed the age of 60 and that by compulsorily retiring me when still in the vigour of health, I have been made to lose the gratuity to which I would otherwise be entitled on account of my inferior service. In my petition to Government I have fully set forth why I should not have been retired. I respectfully beg permission to draw your Excellency's attention to same. By retiring me at that time notwithstanding my prayers to the contrary, I have not only been deprived of my appointment, but have also been made to forfeit my claim to gratuity on my inferior service of 16 years. This is indeed a great grievance to me which I beg may be redressed. That I have retained my health at 60 is not my fault. That I have been compulsorily retired, much against my wish and interest is also not my fault. In these circumstances, I submit that it is unfair that I should be cut off with a pittance after having faithfully served the Government for fully a generation. I therefore request that your Excellency in Council will be pleased to restore me to office, failing which to sanction gratuity to me on account of my 16 years inferior service.

For which act of kindness I shall, as in duty bound, ever pray.
