I, Brigate Surgeon & Col H. J. Hazlett

hereby certify that Convict no. 6518 Vambuli is in
my opinion dangerously ill, suffering from malarial
cachexia. His illness has not been caused or aggravated
by any acts of the Convict in order to procure release,
and I sincerely declare that in my opinion he will certainly
die very shortly if he remains in confinement, but that
he will have a fair chance of recovery if he is released.
