Proceedings of the Stationary 2nd Class Magistrate, Badagara
Dated 5th September 1895

Read records in Calendar Case No. 532 of 1895 on the file of this Court.

The 1st witness for prosecution, Asarikandi Ramunni states in the above case that on the 11th August last, his brother Asarikandi Poker, attempted to commit suicide by throwing himself into a tank full of water; he did not know to swim and he was rescued by the witness. He further states that the accused is of unsound mind since a month and that he cannot take care of him. The 2nd and 3rd witnesses, Pokkuman and Chappan Nair Corroborate the 1st witness' Statement regarding the insanity of the accused, Pokker. As he appeared to me to be of unsound mind, I forwarded him for Medical observation to the Civil Surgeon of Tellicherry. The Civil Surgeon States that he examined the accused on the 17th August last and the following days and found him of unsound mind and incapable of making his defence. I find the accused accordingly and postpone further proceedings in the Case under Section 464 Cr.P.C. As there is no one to give Security for him I submit My report in the Case under Section 466 of the Same Code.
