[Despatch Abstract.]

DINDIGUL SUB-JAIL.

Agreeing with the Inspector-General of Prisons in considering that the construction of a roofed latrine for the use of the Sub-Jail prisoners at Dindigul is unnecessary.

Copy of letter from the Collector of Madras dated 19 February 1895, No. 98 to the Secretary to the Commissioner of Land Revenue, Madras.

I have the honor to state that an open enclosure in a corner of the compound of the Saluk Cutchery, Dindigul, is used as a latrine by the sub-jail prisoners. In July last, the Sanitary Commissioner inspected the sub-jail and remarked, "open latrine should be abolished in favor of one protecting contents from action of rain." With reference to this the sub collector proposes that a closed latrine be built for the sub-jail, and states that there is no difficulty in finding loties to clean it.

2. The question of constructing a latrine for this sub-jail, was once before moved by the Sub-Collector in 1892, but the collector, on the strength of G.O. dated 20 September 82, No. 2440 W. in which, it is stated that the construction of latrines for sub-jails is generally unnecessary, declined to admit the proposal.

3. Dindigul, however, is an important station and the number of prisoners in the sub-jail at one time varies from 10 to 40.

4. In these circumstances, I recommend that the construction of a roofed latrine for the sub-jail at Dindigul, may be sanctioned and orders issued to the Public Works Department to execute the work.

Note for Financial

P.O. 152 dated 23.1.95 says that the
question of constructing sub-pail latrines
in specific cases will be considered
"with reference to the funds at the
disposal of Govt at the time".
Dindigul has come up for a sub-pail
latrine but appears necessary. Can
you say whether "official funds" are
at the disposal of Govt?
21/2/95

Note for Judicial

If the work will
apparently be carried out by the P.W.
Dept. and if so there should be
no difficulty as regards funds.
The P.W. grant for 1895-6 being
a liberal one.

FOR ORDERS.

Please see Go 152 of
23.1.95:-

It is for Govt. to decide
whether under the circumstances
mentioned by the collector of Madras
a latrine should be built for the
butfail at Kindingal. The number
of prisoners in the butfail is said
to vary between 10 to 40.

The present arrangement is
the 22.3.95. an unroofed enclosure open
to the rain & insanitary on that
account. The Dist. Magistrate
thinks the P.W.D. may be directed to
construct a roofed latrine. If it is
carried out by the P.W.D. there should
be no difficulty as regards funds
the Public Works Grant for repairs being,
according to "Financial", a liberal

one

Magistrial.
CURRENT NO. 3553

From
J. Twigg Esquire,
Acting Collector of
Madras.
To
The Chief Secretary to Government,
Judicial Department,
Madras.

Sir,
With reference to Government Memorandum
No. 692 dated the 29th March last (Judicial Depart-
ment), I have the honor to state that a tiled latrine⁽¹⁾
and a watershed⁽²⁾ (constructed in
1870) are attached to the Taluk
Cutcherry at Ondigul. The
latrine is now used by the Taluk Office as a
watershed and it is in close proximity to the
office rooms of the Stationary Sub-Magistrate and
the Taluk Head Accountant. The watershed which
is a small room is used as latrine by the Taluk
officials and is barely large enough even for them.
These two buildings are quite on the other side
of the Taluk Cutcherry, from the Sub Jail and
the

| (2) $14\frac{1}{2} \times 10\frac{1}{2}$ ft. |

the Sub Collector considers it inadvisable to allow the use of either as a latrine for Sub Jail prisoners and I concur with him.

2. A rough sketch showing the block of buildings is enclosed

I have the honor to be

Wm.

Acting Collector

No. C. 1082

Camp Madras Prison
OFFICE OF INSPECTOR-GENERAL OF Prisons,
Dated 5th October 1895.

CURRENT NO. 4734.

From

A. G. CARDEW, Esq., M.A.,

INSPECTOR-GENERAL OF Prisons.

To

THE CHIEF SECRETARY TO GOVERNMENT.

SIR,

Enclosures.

I have the honour to return the papers received under Mr. Davidson's Endorsement No. 1792 dated 2nd August 1895.

2. The District Magistrate of Madras reports that the daily average population of the Diindigul Sub-Jail has been as follows:-

1893	—	12
1894	—	8.

3. The open latrine which exists is conveniently situated with reference to the Subjail. Except when rain falls, an open latrine is infinitely preferable to any other on account of the free ventilation. The number of wet days in the year at Diindigul is probably not large, and it does not appear to me that the construction of another latrine is called for. I presume the well is protected from surface washings. Open latrines are in use in the Tanjore and Palamcottah District Jails, on South Indian Railway and elsewhere.

I have the honor to be,

Sir,

Your most obedient Servant,

A. G. Cardew

The Comr. agrees with the S. Secy of Prisons in considering that the construction of a roofed latrine for the use of the Subjail prisoners at Diindigul is unnecessary.

11/10/95

To the S. Secy of Prisons (210) -
The Comr. of Prisons, Madras, Madras.
This is to be done by the S. Secy of Prisons (210) -
copy to be sent to the S. Secy of Prisons (210) -
The above draft is submitted for approval. The standard plan of a Subjail latrine approved in S.O. of 13. June 94. No. 1440. Just houses provided for a roofed building.

It would probably cost only a few rupees to cover in the existing latrine with corrugated iron: if done at the same building would be more effective 11/10/95.
