The petitioner is quite innocent in this case. But the Judgment of the High Court also, it is stated that the Sentence given to the petitioner is heavy, and that the Statements of the witnesses against

against him are suspicious.

At first, in the original report by the village munsiff, there is no mention of petitioner's name and subsequently his name was added in the report, and false evidence gathered accordingly. The sessions Judge Convicting relying on these false evidence is against Justice.

Granting that the petitioner also took a part in this offence, which is said to have taken place during the part of the day, in the presence of the Police & the village munsiff, then why could not either the Police or the Village munsiff, at the same moment, arrest the petitioner, and what is there took them to arrest after such a long time, as 2 months after the offence took place?

That your humble petitioner was tried by the Sessions Judge Madura under sections 304 + 149 I.P.C. sentenced to transportation for life, and that on your petitioner appealing to the High Court, the whole case together with all the records, is put before the Governor in Council for disposal.

The petitioner is quite innocent in this case, and he was at the time of offence, bowing cotton in the woods adjoined to Vannivelampatti village 3 miles from the place of offence.

There was not any record for 2 months from the date of offence, to prove that the petit[illegible]so was one among the assembly who Committed the offence. The petitioner was during this period, was Engaging Vakils for those who were arrested in this case, and was making necessary arrangements for their relief.

On account of this grudge the Police have arrested the petitioner when he was one day evening coming to Madura by rail to be present at the hearing of this case against the other accused, before the Sub-*Magistrate, Madura. The Police have shown in their occurrence reports the name of one Samaya muppan, a Talayari, for my name. On the 9th day after the arrest, when the petitioner, in course of his trial, expressed his name as Naga muppan, this name was entered in the occurrence report scoring out the name of Samaya muppan. The petitioner cried at the Submagistrate's & Sessions Courts about this, but both the Courts were deaf to his cries

From the statements of the witnesses, ~~who~~ up to the 17th April no mention is made in their statement regarding the petitioner's name.

The High Court forms an opinion that the evidence against the petitioner is suspicious. In spite of this, the conviction of the petitioner is against Law.

The petitioner therefore prays that all the records connected with the case may be sent for & carefully examined, and that he be set at liberty.

no records to show that the petitioner also was one among the assembly, by whom the offence was Committed.

Further there is not the least evidence in the prosecution side to establish the Enmity between the petitioner and the deceased Muthu Karuppa Thevan. At this stage, it is against Law & Justice to Convict & sentence the petitioner.

The petitioner therefore prays that all the records connected with his case may be sent for and carefully Examined, and that he be set at liberty.

Muthu Iruppan.

His Excellency the Right-
Honorable the Governor in
Council. Fort-Saint-George.

The Humble petition of Vembalu
Muppan Convict No 6518
Confined in Her Majesty's
Penitentiary Madras.

Sheweth.

That your humble petitioner was tried by the sessions Judge Madura under sections 304 & 149 I.P.C and sentenced to transportation for life, and that on your petitioner appealing to the High Court, the appeal was dismissed and the whole case together with all its records, is put before the governor in Council for disposal.

The petitioner is quite innocent in this case. While the petitioner and his father Muttia Muppan were one day (two months after the occurrence of the offence) passing to the cattle yard with some of the villagers, the Police and the villagers of Vellur came and arrested the petitioner & his father unjustly.

Till the date of the petitioner's arrest there were no records to prove that the petitioner was one among the assembly who committed the offence.

The petitioner therefore prays that all the records connected with his case may be sent for & carefully examined, and that he be set at liberty.

Vembuli muppan.

I can only repeat what I said in my note in G.O. 130 / 19.1.95

28/1/95

Apparently the current was recd. during the holidays & has taken just 3 weeks to reach me. Due notice shd. be taken of the delay for which it is difficult to suppose that there can be any valid excuse.

Note This reached me on the 12th & was subd. for orders on the same day.
The Refce. Offr. was not able to submit this earlier, as the G.O: which the H.S. ordered to be put with this was in circulation: The ~~[illegible]~~ marginal notes of the Refce. Offr. explains the cause of the delay.
