Sir

By Government order dated 15th

July 1893 No 1444, Judicial, Government

ordered the abolition of Wellington

Sub jail, but Mr. Wolfe-Murray being

of opinion, that it should be used,

till the proposed additions to Coonoor

Sub jail had been completed, addressed

letter No 1303 dated 30th October 1893

to the Inspector General of jails in

para 3 of which he said "As for the

Sub jail at Wellington, I have the

honor to state that it is ~~still~~ being

still being still used, there being no
sufficient accommodation for prisoners
(sentenced to undergo imprisonment
by the Cantonment Magistrate in
Wellington) in the boonoor sub jail."

I agree with Mr. Wolfe-Murray but
am of opinion that Government should
be ^{informed} ^{the fact that} ~~addressed~~ of its order of 15-7-1893
^{is} ~~not~~ being carried out. I have accordingly
the honor to request the sanction of
Government to continue the use of
Wellington sub jail, till the additions
to the boonoor sub jail are completed.
When the Inspector General of Prisons
made his inspection of 3rd November 1894,
the prisoners happened to be outside and
were all hastily hurried into one of several
cells. Generally speaking this jail
is by no means overcrowded, and
to close it immediately will necessarily

INSPECTOR-GENERAL OF JAILS, PRISONS.

To

THE CHIEF SECRETARY TO GOVERNMENT.

SIR,

One Enclosure.

I have the honor to forward the enclosed Letter to your address Ref. an C. No. 1545 dated 20th December 1894 from the District Magistrate, Nilgiris.

2. There is certainly not room at present in the Coonoor sub jail for any prisoners from Wellington. Hence it is necessary to allow the sub jail at Wellington to be used for prisoners sentenced to 15 days' imprisonment and under until the improvements to the Coonoor sub jail are carried out. Prisoners sentenced to over 15 days' imprisonment should be sent from Wellington to the Ootacamund sub jail.

3. The District Magistrate's reference to my inspection of 3rd November 1894 is not understood, but his statement is incorrect. The male prisoners were all asleep in one cell: the other was empty, the female prisoners being outside. The sub jail consists of two cages, one on each side of a small guard room. There are not "several cells."

I have the honor to be,

Sir,

Your most obedient Servant,
