Copy of letter from the District Judge Godavari to the
Suptg: Engineer Ist Circle No:1207 dated 13th September 1895

Upon receipt of your letter No:863 dated 13th July 1895
I made enquiries from the ^{present} District Munsiff of Peddapuram
and I find that there is not only a well in the Taluq Cutcheray
but that the private carrier employed by the court officials
brings water from another well about a furlong distant.

2. Also your Executive Engineer Mr: Usher, in conversation
upon this subject, tells me that as the Peddapuram Court house
is upon a ridge of ground there is no certainty that water
will be found even after the whole Rs:950 is expended.

3. In these circumstances I have the honor to state that I
think that if these facts had been known to Govt: the well
would not have been sanctioned and that you are right not to
commence the work without further orders.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following

From the Suptg: Engineer, 1st Circle, NO:1365.G.D. dated
17th September 1895:-

With reference to G.O. NO:2520.W. dated the 11th October
1894, I have the honour to inform you that after an estimate
for a well was prepared and sanctioned by me the Executive
Engineer brought to notice that Govt: had been misinformed
regarding the necessity for a well in the compound of the Ped
-dapuram District Munsiff's Court.

2. The new well was said to be necessary because " there is
no supply of drinking water in the neighbourhood" but drinking
water can easily be procured from the well in the compound of
the ^{the} ~~the~~ Sildar's Cutcherry on the opposite side of the road.

3. This circumstance was explained to the District Judge who
in his No:1207 dated 13th September 1895-copy herewith- consi-
-ders that the well for which an estimate was ordered in the
G.O. quoted above is not necessary and I accordingly request
permission to cancel the estimate for this work which has not
yet been commenced.

Order thereon: No. 2492 W of 9th October 1895

In the circumstances stated the proposal to sink a well
in the compound of the District Munsif's Court at Peddapur
may be abandoned.
