Sir,

I have the honor to report that the building, now used as the Court-house of the District Munsif of Conjeevaram, is unsuited for the purpose. The room in which the District Munsif holds his Court is far too small, though the building is the best that could be found.

2. The High Court will remember the difficulty experienced in finding a suitable building when the Court was about to be opened in 1892. The Sheristadar of the Court was deputed to inspect the available houses, and on his report the present house was engaged as the best that could be got.

3. There is a tank outside the Court-house

Enclosures and statements also, whether sent with letters, or merely under cover, should be numbered, docketed and abstracted. The headings of statements should be written in full to prevent mistakes. (G. O. 8th April 1893, No. 239, Public.)

and in the hot weather had smells emanate therefrom.

4. Under the circumstances stated, I have the honour to request that the High Court will be pleased to obtain the necessary sanction for the construction of a pukka building in a suitable locality according to the standard plan.

5. I have visited the Court-house on several occasions and my statements contained herein are based on personal observation.

I have &c,
