SIR,

Enclosures.

I have the honor to enclose a copy of an inspection note of the Executive Engineer, North Arcot, regarding the Police Magazine at Chittoor, and the Superintendent's report on the subject. From the enclosed map it is evident that the present magazine is in a most unsuitable position, and as the District Surgeon requires it for hospital purposes, I agree with the Deputy Inspector General and the Superintendent that the Executive Engineer's proposal to construct a new magazine should be carried out, and I request the sanction of Government for this course.

I have the honor to be,
