Sir,

I have the honor to report the following case for the orders of Government under Section 475 B.P.C.

2. one Polakkalakath Abdulla Kunji of Pannanore, the accused in C.C. 2939 of 1894 on the file of the Sub Magistrate, Calicut Town, having been found to be a lunatic in the course of his trial was ^{as} ordered by Government under the provisions of Section 466 B.P.C. to be sent to the Lunatic Asylum at Madras, for safe Custody and treatment. In February last he was sent back to Calicut to stand his trial as he was considered by the official visitors of the Asylum to be in a fit state of mind for the same. The Sub Magistrate resumed

G.O. dated
25th April 1894.
No. 984.

resumed the trial of the case and found the accused guilty, but acquitted him on the ground that by reason of unsoundness of mind he was incapable of knowing that he was doing an act which was wrong or contrary to law. The matter was again reported to Government and the man was sent, under the orders of Government under C.P.C. Section 471 to the Lunatic Asylum at Madras, no security being then available. Subsequently enquiries were made at Annamalai, the man's native place, through the local Sub Magistrate as to whether any body would stand security for Abdullah Kunji. The Sub Magistrate reports that one Abdul Khader, a cousin of Abdullah Kunji and worth about a thousand Rupees is prepared to give security to an amount of Rs 350 for the release of Abdullah Kunji. I have the honor therefore to recommend that Government may be pleased to sanction the delivery of Abdullah Kunji, who is now confined in the Lunatic Asylum, Madras, to the care

as to whether the lunatic
should be ~~recommended for~~
released on security as re-
commended by the S. Magistrate.
The main case was considered
in S.O. of 12. Sept. 95, No 1697 (under
the place marked with white
tape in the original of that order)
and it was thought that the case
did not call for any con-
sideration at that time. He
was admitted into the Asylum
on the 23rd May 95 and the rule
requires that he should be free
from insanity for at least 4
years before he is transferred
to a jail to undergo the pro-
bationary period. The Surgeon
General however considers him fit
for release on security &
