Johns.
Richard Magistrate

Remarks.

To be invested with the ordinary ad-
ditional & appellate powers of a magistrate
of the 1st class under sections 12, 37 & 40,
para 2 Criminal Pro. Code. First class
powers to the collector at this station
are indispensable necessary & Mr. R.
Jagajagow is in every way competent
to be invested with them. Mr. H. A. Stuart
who was 1st Magt of the N. Arcot dt during
the time that Mr. Jagajagow was 2nd
class Magt in that dt speaks very highly
of his work as a 1st Magt. It is hoped
therefore that Govt will be pleased to
condone the deficiency in service
as a 2nd class Magistrate.

ORDER

189 , R. No.

UNDER Section 12 of the Code of Criminal Procedure (Act X of 1882)

M. R. R. Jayaraja Rao Gam, A. Treasury
Deputy Collector, Ostacamuad

in the District of Nilgiris is appointed to be a Magistrate
of the first Class, and under Section 37 he is invested with all the
powers specified in the fourth Schedule as powers which the Government may confer
on a Magistrate of that class.

For order.

Jayaraja Rao exercised second class
powers for 2 months. As he is said to be
"in every way competent" perhaps he might
work given full first class powers? It is usual
to invest Mr. T. of Mr. with first class mag.
powers - vide the notes, etc. in G.O. of 11 May '93, R. No. 57.
I was in charge of the District Treasury
for a month, myself in 1891 when I had
only second class powers & was given no
magisterial work at all, Mr. Clarke

FOR ORDERS.

to the rank of Magistrate from merely
to save his time having to do ^{a little extra} work which
all other kinds of districts have no
impugnantly to perform.

JS
28/1/95.

Jagur. Sir W.
Rees do the work
himself for this short
time

C.S.

Order 2 Feb 1895 No 229

The Govt sees no necessity
to depart from the usual rule as
to the grant of magisterial powers to
newly appointed magistrates. ~~There~~
~~is no reason why~~ the Dist. Magt.
~~should~~ ^{can} not himself take up the
little appellate & first class of
original work which is ordinarily
done by the Deansary & Co.

(From orders)

The D.M. Nilgiris 500 4 FEB 1

1/2/95

Note for C.S.

I spoke to Mr. H.A. Stuart about
Jagurappa Rao's work as a magistrate
the night before last, & found as I expected
that he agreed with me on the subject.

D
31-1

Mr. Mac. Carle himself took appellate
work. On the occasion Jagurappa Rao
is acting for Mr. H.A. Jones who has
been granted one month & nineteen days
privilege leave with effect from or
after 28th January 1895. The first class
magisterial work in the Nilgiris is very
little in amount & there would probably
be no difficulty in arranging for its
being done by Mr. Clarke & Mr. Rees
himself. - Jagurappa Rao exercised third
class powers in Tirupati for 6 months
& 10 days & second class powers for 2 months
& 6 days only. - He has thus been a
magistrate for only 8½ months in all.
During 7 of these I was his Subdivisional *6 rather for I was a
magistrate, & at first had occasion to ^{privilege leave for a month}
find fault with his magisterial work, ~~but~~
~~under the influence of~~ which he
improved for his first few months at
Tirupati; he made considerable improvement
afterwards but I find it true Mr. H.A.
Stuart who said "to have spoken very
highly of his work as a Sub-magistrate" can
only have been contrasting Jagurappa Rao's
later work with his previous doings. In
any case Mr. Stuart must have been
speaking from an experience of only a
month or so of his work as a second
class magistrate

X
28-1

The work of the Dist. Magistrate of the Nilgiris
is very light. It is a light District altogether
Mr. Rees can undertake the work of
a Translator to Govt. & Indian Affairs
also as he is presumed that he has a good
deal of time on his hands. He is able to go
to everything in the way of arrangements
and to go out after a tiger & then one turn
up and to leave the Dist. Magt. to run the
District for a month. He has not to per-
form the duties of Chairman of the Municipal
Council. Mr. Mac Carle did not submit that
there is no reason for Govt. to depart from a
rule which he has laid down with regard
