Sept. 17. 1898.

Dear Mr Price:

I hear from Hannatt that the High Court has ordered the transfer of the Ellore Sub Judge's Court to Masulipatam. I have not a word of criticism to offer on the transfer to this District but I hold a strong opinion that the transfer should be to Bezvada, not to Masulipatam. I hope that Government will consider the question.

objection to making ezvada the Sub Judge's Head Quarters is I believe that thereby the bar will be weakened by being split between two places. If it be of paramount importance that there should be only one strong bar in the district then I should have little hesitation in recommending that the District Judge's Court also be transferred to Bezvada. This is a matter that deserves consideration now, for I believe Hamnett's

Court house is in bad state of repair, & very heavy estimate is being prepared on that account.

Of course circumstances would be a good deal altered if the Bezvada-Masulipatam Railway were to be constructed, but there seems little prospect of that, & meanwhile Masulipatam is moribund.

Yours sincerely,

J. N. Atkinson.

Memorial submitted by the principal residents of the town of Ellore and of the Godavari District.

CHIEF SECRETARY
-5 OCT. 1895
GOVERNMENT OF MADRAS

To

His excellency the Governor-
in-Council of Fort Saint George.

Honorable Sirs,

Learning that the High Court have resolved to move the Sub Court at Ellore entirely from the Godavari District, we the undersigned most humbly and respectfully beg to submit the following for your excellency's kind consideration.

1. This Sub Court at Ellore was originally sanctioned in the year 1883 to be stationed at Bezwada; but owing to the ill accomodation, which it might have had at that place it was decided by the Government that it should be stationed at Ellore where it was thought to have good accomodation.

2. The object of the Government in locating the Sub Court at Ellore was, we humbly believe, to relieve the District Judge of the Godavari and to contribute help to that of Kistna also, Ellore being the centre to both the Districts.

3. The Sub Court has accordingly been working here for the past twelve years with a remarkable

increase

increase in the litigation and the litigants of these parts find adequate relief in an early time as possible.

4. The opening of the railway has brought in every facilities for the parties of both Districts to go to Ellore with much ease and less expense.

5. The litigation in this District having been very heavy and the two Sub Courts already in the District having been found by the High Court to be heavily over-burdened with work, the High Court had of late to sanction a third Sub Court, though temporary, for this District. This of itself shows the work in this District is very heavy and more than sufficient for two Sub Courts.

6. If the High Court finds the District Judge of Kistna is hopelessly in arrears in appeal work he may be given a temporary Sub Court as now being done throughout the Presidency; or allow this Sub Court to sit at Masulipatam or so until those arrears may be cleared. This Sub Court on a former occasion sat at Masulipatam in 1888 and did reduce a very heavy arrears of appeal work in the District Court of Kistna.

7. If the High Court may not be satisfied with the above arrangement they may be pleased to direct periodical sittings as was the case with the Coconada Sub Court until very recently.

Under the aforesaid circumstances we humbly pray that the authorities may not deprive us of the numerous advantages which we have been enjoying on account of the location of the Sub Court at Ellore by

their permanently removing this Court from the Godavari District.

For which act of kindness we, as in duty bound, ever pray.

We beg to remain,

To

The Honorable Mr. J. F. PRICE, C. S. I.,
Chief Secretary to Government,
Fort Saint George.

Honorable Sir,

I am directed to forward, for the consideration of Government, a statement of the work pending in the superior Civil Courts of Godavari and Kistna at the end of the 2nd quarter of this year and to state that, with the concurrence of both the District Judges concerned, the High Court has resolved to advise Government to transfer the Sub. Court now stationed at Ellore to Masulipatam, the head-quarters of the Kistna District, thus giving the assistance of that Court to the Kistna District only, and leaving the Godavari District to be worked by the District Court at Rajahmundry and the Sub Court at Cocanada. I am to state that Mr. MACKENZIE, though he loses some assistance by the arrangement, has expressed himself as entirely satisfied with it, and as convinced from his intimate knowledge of the Kistna Courts that the need for assistance at Masulipatam is far greater than his own. He expresses himself as quite confident that the Godavari District does not require the permanent assistance of more than one Sub-Court.

nB

x In G.O. 1772 / 21.9.92

2. I am to remind you that this question was discussed by the High Court in its letter to Government, No. 2281, dated 19th August 1892. The transfer now proposed was not at that time considered necessary, but it was suggested that assistance should be given to the District Court of Kistna by investing the Subordinate Judge at Ellore with Original and Small Cause jurisdiction over the munsiffs of Bezwada and Masulipatam in the Kistna District and this suggestion was approved by His Excellency the Governor in Council /G. O. No. 1772, Judicial, dated 21st September 1892/. At the present time, however, the state of the file of the Kistna District Court is such as to call for more substantial assistance. Excluding rent suits, the number of appeals pending is 842, while the sum of the appeal files of the District and two Subordinate Courts of Godavari is only 268 appeals. Of the 117 original suits pending in the three Courts in the Godavari, 41 are in the Ellore Sub. Court and those which come from the Masulipatam and Bezwada munsifis in the Kistna District will go with that Sub. Court to Masulipatam.

3. The High Court considers that these figures conclusively show that the Godavari District does not require two Subordinate~~ordinate~~ Courts and that the Kistna can no longer be without the full services of a Subordinate Judge.

4. In the letter above referred to, the Honorable the Judges expressed the unanimous opinion that, in the event of the Subordinate Court at Ellore being transferred to the Kistna District, it should be located at Masulipatam. To this view the Judges adhere and it has been accepted by the Government.

5. I am to say that no re-arrangement of jurisdiction in the Godavari will be necessary. The High Court agrees with the District Judge that the work that will be relinquished by the Subordinate Court at Ellore can be done by the District Court, the Subordinate Court at Cocanada having already as much as it is able to accomplish.

6. It is proposed that the Subordinate Court to be established at Masulipatam should have Original and Small Cause jurisdiction over the munsifis of Masulipatam, Gudivada and Bezwada and to withdraw the extended Small Cause jurisdiction at present exercised by the District Munsif of Masulipatam. The High Court proposes that the changes suggested should have effect from 1st January 1896.

7. I am accordingly directed to enclose the necessary draft notifications and to request that, if His Excellency the Governor in Council approves, they may be published. I am also to submit for sanction, a proposition statement for the increase that should be made in the Copyist and Process Service establishment of the Kistna District.

To

His Excellency,

THE RIGHT HONORABLE BEILBY LAWLEY,
BARON WENLOCK, G. C. I. E.,

Governor of Fort St. George.

MAY IT PLEASE YOUR EXCELLENCY,

WE, the undersigned merchants and other residents of Guntur, Kistna District, beg to bring the following few lines into Your Excellency's kind consideration regarding the location of the Ellore Sub-court which is now transferred to this District.

Your Excellency's humble memorialists have heard that the High Court has recommended to Your Excellency that the Ellore Sub-court should be transferred to Masulipatam. We submit that for the reasons given below Guntur is a far better place than Masulipatam.

(1) Of the three important towns Masulipatam, Bezvada, and Guntur, in the District, it is universally acknowledged that the last mentioned place is the healthiest; Mr Mackenzie, the present Godavery District Judge, in his Kistna District Manual, wrote in the following manner :—

"Through the exertions of successive Vice-Presidents, Guntur is now one of the cleanest, if not, the cleanest town in the country and cholera has not been for years. This result was held up as a model to other Municipalities by the Sanitary Commissioners in their report for 1880. The above sketch of Guntur shows it is as healthy a station as any place where Europeans are stationed in the plains of the Madras Presidency."

(2) Guntur is nearly in the centre of the District and is within easy reach of all the upland Taluqs namely—Vinukonda, Dachepally, Narasarowpett, Guntúr, Sattenapally, Bezvada and Nandigama, and two delta taluqs namely Rapelly and Bapatla, having Railway communication through several taluqs, whereas Masulipatam is in a corner of the district without any adequate means of communication specially in summer season when canals are closed. All taluqs but Gudivada and Bandar are two days distant from Masulipatam.

(3) Further we beg to venture to say that in case the Sub-court be located at Guntur, the people of Masulipatam will not suffer in any way; because at Masulipatam there is already the District Court to which the work of those parts may conveniently be given.

(4) In this connection it may not be out of place to mention that Guntur was a seat of the District Court till 1877, when it was transferred to Masulipatam.

(5) Most part of the appeals filed in the District Court are from the above mentioned upland and delta taluqs.

(6) As people have been suffering by the removal of the District Court from Guntur till up to this date, so the difficulties will be removed by the location of the Sub-court in the place of the District Court.

(7) There are *Government buildings* available for the location of this Sub-court at Guntur. Because the District Jail has been removed to Rajahmundry. And there are many private-buildings available for the accommodation for the Bar and the establishment of the Sub-court.

(8) The Guntur District Munsiff's Court has got a very heavy file, which cannot be disposed of in time, and thereby people are put to much inconvenience and loss.

(9) For these reasons we, Your Excellency's humble memorialists, beg to bring all the difficulties which suiters will have to undergo in case the Sub-court is located at Masulipatam, and to request that Your Excellency will be pleased to order that the Sub-court be established at Guntur.

We beg to remain,
Your Excellency's most obedient and loyal subjects.

In forwarding herewith a memorial from the people of Guntur and its adjoining villages, requesting the transfer of the Ellore Sub-Court to this place instead of Masulipatam, I beg to submit to Your Excellency's consideration, the fact that since about 500 cases from the file of the Masulipatam District Munsiff's Court, have been transferred to the courts of Bezwada and Gudivada. The necessity for locating the sub-court at Masulipatam now no longer exists, and that the file of the Guntur District Munsiff's court is not much less heavy than the Masulipatam District Munsiff Court

All taluqs but Gudivada and Bandar are two days distant from Masulipatam.

(3) Further we beg to venture to say that in case the Sub-court be located at Guntur, the people of Masulipatam will not suffer in any way; because at Masulipatam there is already the District Court to which the work of those parts may conveniently be given.

(4) In this connection it may not be out of place to mention that Guntur was a seat of the District Court till 1877, when it was transferred to Masulipatam.

(5) Most part of the appeals filed in the District Court are from the above mentioned upland and delta taluqs.

(6) As people have been suffering by the removal of the District Court from Guntur till up to this date, so the difficulties will be removed by the location of the Sub-court in the place of the District Court.

(7) There are *Government buildings* available for the location of this Sub-court at Guntur. Because the District Jail has been removed to Rajahmundry. And there are many private buildings available for the accommodation for the Bar and the establishment of the Sub-court.

(8) The Guntur District Munsiff's Court has got a very heavy file, which cannot be disposed of in time, and thereby people are put to much inconvenience and loss.

(9) For these reasons we, Your Excellency's humble memorialists, beg to bring all the difficulties which suiters will have to undergo in case the Sub-court is located at Masulipatam, and to request that Your Excellency will be pleased to order that the Sub-court be established at Guntur.

We beg to remain,
Your Excellency's most obedient and loyal subjects.

Note.

On receipt of reply to this refce. a note on the whole subject will be put up. It seems premature at present. – May not the Godavari Collector be asked for his opinion? ~~Hardly worth while, I think~~ The Judge of that District apparently (Please see High Court's letter) approves, & he is the person most affected, but it wd. be perhaps as well to know the Collector's views also.

The foregoing papers will be forwarded to the Hon. the Judges of the High Court for favour of early remarks.

2. It is not ~~clear~~ ~~what~~ known whether there is at present any accommodation ~~there is at present~~ at Masulipatam, Bezwada or Guntur for a Sub Court or whether ~~and what~~ arrangements to provide it ~~could~~ immediately could ~~are proposed to~~ be made. The Hon. the Judges will ~~also~~ be requested to afford information on this point.

Hon. Sec,

In charge of S. O. S.

× , I am directed to forward, for consideration & favour of return, the enclosed D.O. from Mr Atkinson regarding the proposed location of the Ellore Sub Court at Masulipatam, & the transfer of the Kistna District Court to Bezwada.

12.11.95 (Note. This is the D.O. dated 17.9.95 in the file.)

Note

The petitioners are almost unanimous in condemning ~~Masulipatam~~ the proposal to locate the Sub Court at Masulipatam & the Collr. (Please see his D.O. in the file.) also supports them. There seems to be no accommodation either at Bezwada or Masulipatam for a Sub Court. The old D. Jail buildings at Guntur ~~may~~ can probably be utilized for a Sub Court, but Guntur seems the least suitable place of the three. Mr Atkinson is opposed to locating the Sub Court at Masulipatam & seems to be in favour of having both the D.J. & the Sub Court at Bezwada. Guntur & Bezwada are connected by a railway & the [illegible]
