To,

The Secretary of State for India.
London.

Through the Government of Madras.
Most Honoured Lord.

1. The humble memorial of Samiudhayan
Chentapow, late Government Copeyist
in the Registrar's Office, Madras, in the
District of Madras of the Madras Presidency.
2. With due respect and humble submission
I beg to submit my whole case in detail
in form of a report the following lines
to your Lordship's kind notice for
favorable consideration, justice and
orders of the most Honoured
Queen, the Empress of India.
3. I was educated in the Free Church
Mission School, Madras for 6 years, and
appeared to the late General Post Exa-
mination of the Anglo-Vernacular
Branch in the years 1865-66-67-68-69-
70-71-72-73-74-75-76-77-78-79-80-81, and passed
all the subjects 5 or 6 times in different
years; and also appeared to the
evolution Examination with the native
language Sanskrit in the years 1866-
68-69-72-77-78-79-80, and passed all
the subjects 2 or 3 times in different
years; and at last I passed the Middle
School Examination in Madras in
January 1880. (Copy of the Middle
School Examination Certificate is en-
closed). In the year 1870, I was ap-
pointed as a Government Copeyist in the
Registrar's Office, Madras, by the
Government of Madras, by the Madras
July 1st November 1870, dated 18th
retained in that post 10 months & 20
days, and then my services were dis-
continued by the abolition of that
post by the Madras Government
Resolution dated 20th June 1876, and
by the Registrar General's General
order 1257 dated 18th June 1877.

Madras.
8th August
1895.

Copies of the Government Notification
No. 4069 dated 10th June 1870
are herewith submitted.
4. My total service in the Registra-
tion Department was 10 months & 20
days, and during that time I used to
receive my pay from the Mysore
Treasury, Mysore, at an average rate
of 15 Rs per mensem. When I was first
employed as a Government Copyist
in the Registrar's Office, Mysore, on the
1st of August 1870, my age was 22 years,
and when my services were dispensed
with my age was 23 years. The necessary
certificates from the Medical Depart-
ment were also taken by me, and
sent to the then Registrar of
Mysore.
5. As regards to the orders about my
entertainment & its abolition as a
Government Copyist in the Registrar's
Office, Mysore, I beg to state that I
applied to the late Registrar of Mysore,
Mr. C. Sambasiva Iyer, to favour me
with public copies of the Government
Notification about my entertainment
as copyist and its abolition, the time
I served with the total amount of
pay I received, and also the cause
why my services were dispensed with.
After searching all his records, the said
Registrar favored me an endorsement
order No. 43 dated 12th April 1881 as
follows. The existing records show
that one Mr. Benchal Ram had been
employed in this office as a copyist
during the years 1870 & 71, under Govern-
ment Notification dated 1st November
1870. (Copy of the endorsement order is
herein enclosed). On the 28th April 1881
I applied to the late Inspector General
of Registration, to supply me with the
abolition order of copyists post in the
Registrar's Office, Mysore, in 1871, from
the records of his office, which he has
transferred to the late Registrar of
Mysore to Mr. C. Sambasiva Iyer with
an order No. 753 dated 1st May 1881
for compliance if possible; and then the
said Registrar favored me an order
No. 58 dated 12th May 1881 as follows:
To what has been already stated

(2)

by me, I may add that I am unable
to give the petitioner all the particulars
he required, as the records concerned
appear to have been destroyed. (Copy
of the order is herewith submitted).
6. After I have obtained the above said
orders, I have written to Mr. Benchal Ram
Benchal Ram, Benchal Ram, later
Treasury Deputy Collector & Ex-Officio
Registrar of Mysore, Mysore, and
late General Deputy Deputy Collector
of Mysore to favour me an order
of certificate about my entertain-
ment and its abolition as a copyist
in Mysore Registrar's Office in the
years 1870 & 71, when he was an Ex-Officio
Registrar; and thereupon the said
officer favored me an endorsement
order No. 286 dated 20th August 1881.
(Copy of the order is herein enclosed). I
have written to Mr. Benchal Ram
Benchal Ram, Benchal Ram, later
Registrar's clerk in the Registrar's
Office, Mysore, & now a leader in the
District Court of Mysore,
Mysore, in the District Court of Mysore,
Mysore, with an order of certificate about
my entertainment and its abolition
as a copyist in the Registrar's Office,
Mysore, when he was Registrar's
Clerk; and thereupon the said
gentleman favored me a certificate
dated 21st June 1881. (Copy
of the certificate is herein enclosed).
From these 4 orders it will be seen
that I am a thorough person in
the reduction of the establishment
of the Registration Department.
7. After I passed the Middle School Exami-
nation in 2nd class in January 1880, I
submitted to the Madras Government
3 petitions on the 14th June 1880, 15th July 1880
August 1880; and on which I received an
endorsement order No. 1539 of 1880. (Copy
of the order is herein enclosed). With
reference to the said Government order
No. 1539 I submitted a petition on the
27th April 1881 to Government & they
favored me an endorsement order
No. 169 of 1881, I forwarded a petition

on the 26th June 1881 to Government to exempt me from passing the middle school examination in 1st class, & from the operation of the twenty five years rule; and on which they favored me an endorsement order No 410 of 1881. (Copy of the order is herein enclosed). On the 5th August 1881, I again submitted a petition to Government to reconsider my case for exemption from examination & age according to my request; and on which the said Madras Government having pleased with my deplorable case & favored me an endorsement order No 632 dated 29th February 1881 as follows. If any head of a department applies for the petitioner's services, the Government will consider the expediency of exempting him from further five years rule. (Copy of the order is herein enclosed). On the 18th June 1882, I again requested the Madras Government through a petition to exempt me from examination & age direct without any reference from local authority; and on which they favored me an order No 622 dated 5th July 1882 as follows. Petitioner is referred to endorsement No 632 dated 29th August 1881, which contains the final orders of Government on his application. (Copy of the order is herein enclosed). 8. After I have obtained the Government order No 632 of 1881 from the Madras Government, I submitted an application on the 4th April 1882 to the late Inspector General of Registration Mr. George Hammett to bestow upon me a 1st class clerk's place newly sanctioned by Government to the Registrars Office, Madras, from 1st April 1882, and this officer referred my application to the late Registrar Mr. V. S. S. Chiyar for report, and in which this officer has written to me an official letter on the same

(3)

No 394, to produce before him the original endorsement order No 632 dated 29th February 1881 granted to me by the Madras Government. (Copy of the official letter is herein enclosed). After I delivered the said order the late Registrar had written 2 reports No 108 dated 21st April 1882 dated 21st June 1882 respectively to the late Inspector General along with Government order, to appoint me for the said clerk's place and to recommend about me to Government for exemption from further five years rule, with reference to their order No 632 of 1881. The late Inspector General instead of doing according to the request of the late Registrar passed an order J. No 923 dated 21st April 1882 & communicated the same to me & to the late Registrar, and in which it is stated that my case will receive consideration in the next vacancy. (Copy of the order is herein enclosed). On the 12th of August 1882, I again placed another application before the late Inspector General to bestow on me either a Sub Registrarship or a Probationary Sub Registrarship in the District of Madras; and on which he passed an order J. No 2562 dated 5th August 1882, in which it is stated that the Inspector General cannot hold out any promise of employment to the petitioner as a Sub Registrar, and he must wait on the Registrar of Madras for a clerk's post, and this order was communicated to me & to the late Registrar of Madras. (Copy of the order is herein enclosed). 9. In the beginning of January 1883 the late Inspector General came to Madras to examine the Registrar's Office, at that time I had a visit & requested him to bestow on me the vacant Head Clerk's place then vacant in the Registrar's Office.

Mallore, and to this he has given me verbal orders that I must apply to the Registrar of Mallore; and according to his orders I have put in an application to the said Registrar on the 18th January 1886, and he issued to me an appointment -ment & favored me an order N. No. 3 dated 19th January 1886, in which it is stated that there is no vacancy at present in the Registrar's Office, Mallore, and my application will be taken into consideration on the occurrence of a vacancy hereafter. (Copy of the order is herein enclosed).

10. According to the orders of the late Inspector General of Registration N. No. 2587 dated 26th April 1887, I was appointed Registrar of Mallore for a term of 3 years, and then applied to the said Inspector General on the 9th February 1888 by an application to bestow on me a clerk's place in the hands of the Registrar of Mallore, which was transferred to the Registrar of Mallore for disposal; and the same was communicated to me by a miscellaneous order N. No. 22 dated 11th February 1888. (Copy of the order is herein enclosed).

The said Registrar have asked me some information about my past services in the Registration Department by a miscellaneous order N. No. 5 dated 18th February 1888. (Copy of the order is herein enclosed).

11. I submitted to that officer through an application dated 23rd February 1888; and from this having satisfied in every way, this officer having prepared to give me an appointment by gave me a letter N. No. 53 dated 5th March 1888, along with my descriptive roll to the District Deputy Registrar of Mallore to the me with a health & vaccination Certificate, and after a thorough examination it was given, in which he stated that I am a fit man for an appointment in the Registration Department, which I delivered to the said Registrar, who recommended me for a clerk's place

(4) in his office to the late Inspector General by a letter N. No. 65 dated 7th March 1888, but he did not sanction my appointment by an order N. No. 1138 dated 9th March 1888, and this order was communicated to me through the Registrar of Mallore, who from his miscellaneous order N. No. 16, & also the original health Certificate N. No. 54 returned to me. (Copies of the late Inspector General's order as well as the health Certificate are herewith submitted). He is the 2nd time of my producing the health Certificate for my re-appointment in the Registration Department.

11. On my representing the whole of my case & the injustice done to me by the late Inspector General to the Government, through the petitions dated 10th April, 20th July, 30th September 1888, and 10th March 1889, and on these petitions instead of showing mercy & leniency, I had an unjust order N. No. 1069 dated 22nd June 1889, in which they stated that the petitioner is informed with reference to his petition dated 2nd June & previous letters, that the Government declines to comply with his requests. No further communication on the subject will receive attention; and this order was communicated to the late Inspector General as well as to me. The original order was sent to the Government of India along with my Memorial dated 25th January 1890, and now I enclose a copy of it.

12. Before I receive the said Government order N. No. 1069 dated 22nd June 1889, I have put in a petition to the late Inspector General on the 30th June 1889, to favor me with a common copy of letters written by the Registrar of Mallore about me to place before Government for my exemption from further test & from the operation of the twenty five years rule, according to the Government orders favored to me; and to which he has favored me proceedings J. No. 3327 dated 2nd July 1889 in which it is stated that the copy applied for cannot be given, and the petitioner is referred to see the Proceedings of

Government No 1069 of 1889. I submitted
to the present Inspector General of Registration
on the 17th September 1889 to bestow on
me the vacant post of the Probationary
Sub-Registrarship in the Registrar's Office
at Allore, and to which the said officer
favored me an order of G.O. No 3058 dated
22nd September 1889 through the Registrar
of Allore; and in which it is stated that
the petitioner is referred to the orders of
Government judicial No 1069 dated
22nd June 1889. (Original order given to
me from the Registrar of Allore have been
submitted to the Government of India &
the copy is herein enclosed).

13. From the Madras Government Order
No 1069 dated 22nd June 1889, all my
prospects, claims & attempts in the Registra-
tion Department were entirely swept
away. Since the date of this order I have
put in applications on the 8th July, 3rd
October, 5th November, 23rd & 24th November
1889 & 3rd January 1890 to the Madras
Government to reconsider & cancel the
said Government order of No 1069 dated
22nd June 1889, the latest the present
Inspector General of Registrations orders
the 7. No 3327 dated 2nd July & G.O. No 3058
dated 22nd September 1889 respectively,
and also to give an order to the Inspector
General of Registration to bestow on me
either a Sub-Registrarship or a Probationary
Sub-Registrarship in the District of
Allore, and to recommend about me
to Government for exemption from further
test from the operation of the twenty five
years rule, according to the Government
orders No 632 of 1881 & No 622 of 1882 favored
to me, and also to exempt me from pro-
ducing again a health & vaccination
certificate, for I had produced twice
for an appointment in the Registration
Department, and to all these petitions
I received no orders from the Madras
Government.

14. I am well up with all the Acts, Rules
& other miscellaneous work of the Registra-
tion Department required for the office
of a Sub-Registrar in Allore & I can
can correspond all the official business

(5). in the English language. As regards
to my qualifications for exemption from
Examination page, I beg to state that
3 Deputy Collectors, 2 District Munsiffs,
2 Court Messadars, 1 Sub Judge, 2
District Registrars & 1 Tahsildar, all
speak & vote very highly about my
character, conduct, ability & attainments.
(Copies of the 11 certificates are herewith
submitted).

15. After the Government Collectors post
had been abolished in the Registrar's
Office, Allore, I was appointed to act
as 10th Vernacular clerk in the Collectors
Office, Allore, from 19th to 28th August
1871. (Copy of the Pay Bill extract is
herein enclosed). In May 1881 I was ordered
to come down to Madras for Census
work by the Deputy Superintendent
of Census. (Copy of the order is herein
enclosed). In the month of September
1884, I was appointed to act 40 days for
a firm station in Papanasabai of the District
of Allore by the General Duty Deputy Collector
of Allore. (Copy of the Papanasabai order is
herein enclosed).

16. I submitted on the 25th January 1890
along with 38 enclosures a Memorial to His
Excellency the Right Honorable the Governor
General in Council, Calcutta, to go over all
the papers enclosed in this Memorial, and
to cancel the enclosed Madras Govern-
ment order of No 1069 dated 22nd June
1889; and thereupon the said Government
favored me an order of No 267 dated 6th
February 1890 along with a Memorial, in which
it is stated that I should submit this
Memorial through the Government of
Madras. (Copy of the order is herein enclosed).

On the 14th February 1890, I submitted
a letter to the Honorable Chief Secretary
to the Government of Madras along with
the said Memorial & the original order
of the Government of India No 267, to
submit my Memorial along with the
opinion of Government to the Govern-
ment of India; and thereupon the
Government favored me an order of No
431 dated 7th March 1890, in which
it is stated that the Memorial about

will be informed, that under the discretionary power vested in this by clause (3) (b) and (2) Rule 3, Section III of the Memorial Rules, (copy enclosed) his memorial to the Government of India has been withheld. (copy of the order is herein enclosed) On the receipt of this order I again submitted a petition to the Government of India on the 16th March 1890 along with the copy of the Memorial dated 25th January 1890, giving full explanation for not submitting my memorial by the Government of Madras. After waiting 9 months I have written a petition to Government of India to reply to my 16th March petition and on which I received no orders on the subject. I again written to the Government of India on the 16th September, 30th October, 16th November 1890 respectively, enclosing Madras Government orders of 16th March 1890, 31st October 1890, (copy of the order is herein enclosed) 16th January 1891, 13th February, 18th April, 13th July, 12th October, 10th December 1891 respectively, 16th February, 22nd April, 10th June, 11th August, 23rd November 1892 respectively, 28th March, 11th October 1893 respectively, 2nd February, 6th July, 17th October 1894 respectively, and 20th February, 17th July 1895 respectively, and to all these 24 petitions I received not a single order from 14th January 1890 up to the present date, a nearly 7 years & 7 months from the Government of India.

17. I had written to the Government of Madras on the 8th November & 10th December 1890 respectively, 4th February, 18th April, 13th July, 16th October & 27th December 1891 respectively, 16th February, 22nd April, 10th June, 11th August, 23rd November 1892 respectively, 28th March, 11th October 1893 respectively, 2nd February, 6th July, 17th October 1894 respectively, and 15th February, 22nd July 1895 respectively to cancel the Inspector General of Registrations orders Nos 3645 dated 27th July 1894, and to order the said officers to bestow on me a Sub-Registrarship at once in the District of Madras, and to all these 20

(6) petitions I received not a single order from the Government of Madras up to the present date nearly 5 years from the Government of Madras.

18. I am a thrown out person in the reduction of the establishment of the Registration Department. As regards to thrown out persons, Madras Government had issued orders to all the Head of Departments to provide first to thrown out persons & afterwards to hoped candidates whenever any vacancies occur in their respective Departments, but whereas in my case such consideration was not shown though I requested them several times by several petitions.

19. I am a poor man having no means of livelihood, except Government service. If my copyists post had not been abolished by orders of the Madras Government, I would have been continuously in the service, and by this time I would have been a permanent Sub-Registrar on Rs 60 & my service will come nearly for pension. From 1882 up to date nearly 14 years I am trying my best to get a footing in the Registration Department, but owing to my misfortune I am not yet favoured with an appointment of a Sub-Registrar in Nellore District.

20. I humbly pray that your Lordship having called for my 24 petitions addressed to the Government of India quoted in this Memorial, and cancel the Madras Government order of 1069 dated 22nd June 1889, and render me justice by ordering the Government of India as well as the Government of Madras to bestow on me a Sub-Registrarship at once in the next vacancy in Nellore District of the Madras Presidency according to my request. I am entirely depending on your Lordship's kind heart for justice in bestowing on

Dated Madras 7 November 1895.

SIR,

I have the honor to submit a petition from P. Chentak Rao, Mellore enclosing a memorial to the Right Honorable the Secretary of State for India praying that a subregistrar's appointment may be conferred upon him.

2. The petitioner was for about 11 months in 1870 and 1871 employed as a copyist in the Mellore District Registrar's office and then thrown out of employment. In 1882 i.e. after a lapse of 11 years he sent several petitions to my predecessor in office for employment as a sub-registrar or as a clerk in the Mellore District Registrar's office and requested that he might be recommended for exemption from the educational tests and the operation of the 25-years' rule. His requests were not complied with.

3. In reply to a D.O. from a late Honorable member

will be a Sub-Registrarship in Mellore District. My forefathers, grandfather, father, paternal uncles, were served by Government only in Mellore District. My brother is now employed as a head quarter Inspector of Police, Bellary on a salary of Rs 100 per annum, and my uncle is also employed as a sub-master in the Local Fund School, Betheddyahalem in Mellore District. From my forefathers my family is living under Government service, & myself is suffering very much for want of an employment in Public Service. Please have the kindness to place this memorial along with 40 enclosures before Her Majesty the Queen, the Empress of India in Council, and get me a Sub-Registrar's place in the next vacancy in Mellore District at once. For this act of kindness, I pray the Almighty God to give you long life and prosperity.

I beg to remain,
Most Honored Lord,
Your most obedient
and,
Obedient servant.

member of Council Mr. Garstin in June 1889 on a petition presented by the petitioner Mr. Hannett submitted with his letter dated 17 idem a note on the petitioner's case and the Government thereon in their order No 1069 Judicial dated 22 June 1889 declined to comply with the petitioner's request for ^{an} exemption from the ^{operation of the} educational tests and for employment as a sub-registrar and intimated to petitioner that no further communication on the subject would receive attention.

4. The petitioner sent several petitions to me after I assumed charge of the Department for employment as a sub-registrar and he was informed that his request could not be complied with.

5. From the papers submitted by the petitioner, it will be observed that his case had been before Government several times. In Government official Memorandum No 584 Judicial dated 21 March 1894, I was desired to report the pay of the petitioner when he was employed in the Registration Department, and my reply to the reference is contained in my letters J. No 1552, 2 April 1894 and G. No 888 dated 19 idem.

6. I have no recommendations to make on behalf of the petitioner and beg to suggest that as stated in G.O. No 1069 Judicial dated 22 June 1889 no notice be
