From

A. G. CARDEW, Esq., M.A.,

INSPECTOR-GENERAL OF JAILS, Prisons

To

THE Honble Mr. J. F. Price C.S.I.

CHIEF SECRETARY TO GOVERNMENT,

SIR,

/ Enclosure.

I have the honour to submit the usual Return of Jail offences and Whippings for the Quarter ending the 30th September 1895 with reference to the provisions of para 6, Home Department Resolution No. 1-33-43, dated 11th January 1882.

2. The total number of whippings during the Quarter was 35, as compared with 37 and 34 in the two preceding quarters. The largest number of floggings occurred, as in the previous quarter, in the Rajahmundry Central Jail, but the resort to corporal punishment in this Jail has been and for some time will be, unavoidable. The Telugu Convict appears to be naturally more averse from labour than prisoners in the Southern Districts, and the administration of the Rajahmundry Central Jail has long left much to be desired. Even now tasks are by no means fully enforced. The number of punishments is large, but Mr. Young devotes much care to the investigation of all charges before awarding punishment and his punishments appeared on inspection

inspection, to be properly apportioned and judiciously selected. Thirteen out of the 14 whippings were awarded for persistent short or bad work or malingering, all other punishments having been first tried without success.

3. As far as possible Convicts who have been whipped are treated without being admitted to Hospital. No case of sickness due to corporal punishment occurred during the quarter.

I have the honour to be

Sir,
Your Most obed^t Serv^t
