CHIEF OFFICE OF THE INSPECTOR-GENERAL OF POLICE,

FROM

M. HAMMICK, Esq., I.C.S.,

INSPECTOR-GENERAL OF POLICE,

Madras,

TO

THE Chief Secretary
to Government,
Fort Saint George.

SIR,

Enclosures.

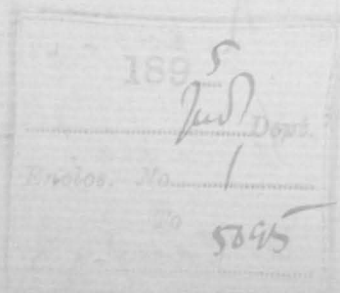

With reference to G.O. No. 1828, Judicial, dated 2nd September 1895, reviewing the Police Administration Report for 1894, I have the honor to submit the following explanation on certain points on which it is called for.

* This shows the stations on a different principle, leaving out the distinction between Thatched Specta, but it is an improvement & may perhaps be accepted.

W.

Para 2 of the G.O. - A revised form for the Statement of Station Houses appearing in paragraph 11 of the Report is herewith submitted.

Para 13 of the order - The total number of cases of lurking house breakers and house breaking appear in the Statement under paragraph 46 of the Report. I therefore considered it unnecessary to repeat the same in the appendix wherein the cases by right are

are shewn and not those by day -
 If the Government desired that the total should still appear in the appendix, it would be carried out in the current year's report -

Para 19 - There will be no difficulty in reviewing the Police work on the figures and facts furnished in Statement A which includes previous year's cases instead of the review heading on the cases of the year of report alone as has been the practice hitherto. I am unable now to fix an exact date within which it would be possible to submit the yearly report if the change in the system be introduced, but I shall submit the next report as early as may be found possible and as far as I can see it should be possible to submit it by the 15th of June -

I have the honor to be,
 Sir,
 your most obedient servant,

M. B. Munnick
 Inspector General of Police.
