To The Chief Secretary to Government

Madras

Dated Chattrapur 12th October 1895

Sir,

I have the honor to state that some of the
Postmortem instruments of Ichapur Dispensary
were sent by the District Surgeon to Medical
Storekeeper for repairs and that the latter
Officer has lately asked the District Surgeon
to remit the cost of repairs to him as the instru-
-ments belong to a Local Fund Dispensary.
The President of the Berhampore Sanitary Board in whose
jurisdiction the dispensary is situated considers
that the cost of repairs in question should properly
be a charge on Quonincial Funds as the Dead-
house to which the Postmortem instruments
belong is used almost entirely for Police and
Magisterial purposes. The Deadhouse in question
was

was first constructed from local funds and only
in urgent cases in-patients are received into the
dispensary to which it is attached. I request
the orders of Government as to the source or sources
from which the charges under reference should
be met.

I have the honor to be
