Humely sheweth -

That the humble memorialist with every mark of respect and due deference, begs, on behalf of Perindini Raji above referred to, to place the following before your excellency for kind consideration and favorable orders. The memorialist begs to submit a brief history of Perindini Raji hereunder -

There happened in 1885 a Mappila outbreak in the above said Ponnandam Ansham, Pannani Taluk Malabar District and this Piri Murtin Haji was suspected to have been concerned in the outbreak and arrested. After making some enquiries into the matter Piri Murtin Haji was sentenced to be transported to Malacca in Arabia and he was under Section 8 Act II of 1889 Madras, also furnished with a painful order by the District Magistrate of Malabar strictly ordering him not to come to British India unless fresh orders are received for so doing. In obedience to that order Piri Murtin Haji since then has been living at Malacca only.

that the Humble memorialist respectfully begs
to submit that as it was entirely without a single pie in the hand
that Paru Dinku Haji was sent to Macao on account of his
being absolutely ignorant of the local language and
Shoddy Cabon

bodily labours usual to that place the difficulties and distresses
 he has become subject to, are such as are only known to God.
 Besides, he has since some months been suffering from some
 ocular disease, too.

That the memorialist humbly begs to submit that
 the ill-starred Paru Muttai Raji has been for the last 10
 years sorrowfully undergoing this sort of insupportable
 difficulties and insufferable inconveniences and pain
 owing to the hard punishment he has been kept under, and
 now respectfully places these lamentable conditions before your
 excellency and through the memorialist craves your excellency
 that his call circumstances may be graciously taken into your
 excellency's benign consideration and ^{that} the poor and
 helpless man ^{may be protected} from this misery and sorrow by freeing him
 from the yoke of the above said painful order of the District
 Magistrate preventing him from coming to his beloved
 native place Malabar, where he can earn his livelihood
 from his old labours upon which he was living
 before falling into this misfortune.

That the memorialist humbly submits on
 behalf of his unhappy brother in law Paru Muttai Raji that
 should he be so happy as to obtain a favorable order from
 your excellency permitting him to come and settle in his
 native place, he shall be for ever very loyal to the Go-
 vernment and very careful in preserving his life. He will
 give no room whatever to find fault with him.

That the memorialist begs to submit that
 though his brother in law was suspected to have hand in
 the matter, he had not in reality been concerned in the
 matter, but the memorialist does not make any attempt
 now to prove his innocence in as much as the memorialist
 now appeals to the to your excellency's mercy and humbly
 begs your

excellency's pardon.

The humble memorialist begs to believe that
 even if his brother in law is properly found guilty your
 excellency may kindly pardon him in consideration of
 his sad circumstances.

The memorialist in conclusion most humbly
 begs your excellency will graciously be pleased to take
 his brother in law's long sufferings into your excellen-
 cy's kind consideration and to pass a favorable order
 allowing him, Paru Muttai Raji to come and settle in
 his own native place, Ponnichalam in Ponnani Taluk.

The memorialist further begs to place another
 request before your excellency that he may be permi-
 tted at least to come ^{in custody} and stay here for the treat-
 ment till he recovers from his ocular disease, in case
 your excellency finds it unreasonable to grant the
 humble request made in the para above all on a sudden.

For which act of charity and kindness
 he shall be most duty bound ever pray.
