EXPLOSIVES MAGAZINES

Communicating to the Commissioner of Police, Messrs Best and Co., and certain other firms, letter from the Inspector-General of Ordnance in connection with the magazines for the storage of explosives, with the remark that the Government accepts Colonel Walker's present recommendations.

No. 0

From

Colonel T. WALKER, R. A.,

Inspector General of Ordnance,

Madras Circle.

To

The Secretary to Government
Military Department
Fort Saint George

Fort St. George, 15 Jan'y 1895

Sir,

With reference to the proceedings of the Madras Government and enclosures forwarded under your No. 52 dated 8th instant, all of which are herewith returned as requested, I have the honor to state that there is no objection to the present arrangements continuing for a few months.

2. With regard to the barriers at Messrs. Best & Co's Magazine my meaning was that they should be ordinarily held in position in grooves. This would admit of their being removed when the floor is being swept. There is no necessity to "fix" them in any other manner.

3. There is no necessity to connect

connect zinc fittings of any kind with lightning conductors.

I have the honor to be,
Sir,
Your most obedt. servant,

W. E. Kinnich Captain &c
Asstt. Insp. General of Ordnance
Madras Circle, in charge

Col. Walker reports that there is no objection to the present arrangements continuing for a few months. The letter from the G. I. promised in the telegram (No. 49 lying over) has not yet been received, but there seems no reason to be worried for some time. It would be well to communicate this at once to the parties concerned. If ^{Col. Walker} agrees, the following order is suggested.
