From

Colonel T. WALKER, R. A.,

Inspector General of Ordnance,

Madras Circle.

To

The Secretary to Government
Military Department
Fort Saint GeorgeFort St. George, 15 Jan'y 1895.

Sir,

With reference to the proceedings of the Madras Government and enclosures forwarded under your No. 52 dated 8th instant, all of which are herewith returned as requested, I have the honor to state that there is no objection to the present arrangements continuing for a few months.

2. With regard to the barriers at Messrs. Best & Co's Magazine my meaning was that they should be ordinarily held in position in grooves. This would admit of their being removed when the floor is being swept. There is no necessity to "fix" them in any other manner.

3. There is no necessity to connect

connect zinc fittings of any kind with lightning conductors.

I have the honor to be,
Sir,
Your most obedt. servant,

W. K. K. Capt. A. A.
Asstt. Insp. General of Ordnance
Madras Circle, in charge
